## MOMENTO TO OUR YEARS IN B.C.S.

These hallowed halls  
echo loud with laughter  
with thought, with work, and with song.  
We present to you  
The memory of our years  
And the others to come along.

#### ON THE DEATH OF A PARTICULAR FRIEND

As those we love decay, we die in part  
String after string is sever'd from the heart;  
Till loosen'd life, at last but breathing clay,  
Without one pang to fall away.

Unhappy he who latest, feels the blow!  
Whose eyes have wept o'er every friend laid low,  
Dragg'd ling'ring on from partial death to death,  
Till, dying, all he can resign is -- breath.

WE THE 1970 SENIORS OF B.C.S.  
DO HEREBY DEDICATE THIS OUR  
YEARBOOK TO OUR . . .

## PARENTS

You have stood behind us, creating in us strength and courage.  
Watched over us guiding our steps that we may do what is right and  
good. Yours is the example we follow, yours is the love that is al-  
ways there. To you our mothers and fathers we proudly dedicate our  
1970 yearbook. Our special way of saying thanks for helping us to  
become adults.

We have finally reached our goal. We are Seniors! To those of you who envy us, remember, never again will we be an integral part of Bolton's school life. Now we are young adults, on our own, with the apron strings of home and school cut forever. Afraid? Perhaps we are, a little. But there it is, our future waiting to be shaped into our own heart's desires with the basic tools we have unmassed over these learning years. To our future -- welcome, to our past good-bye and thanks!

We would now like to express our tremendous gratitude to Mrs. Bromley and Mr. Welton. They have guided us through our most memorable years, and aided us in troubled times. We wish them all the best and thank them wholeheartedly for their warmth and friendship.

## B.O.C.E.S.

The initials B. O. C. E. S. stand for the Board of Cooperative Educational Services. This program was set up to provide vocational training for the students of the area. They offer such courses as Cosmetology, Auto Mechanics, Office Practice, Conservation, Carpentry, Building Maintenance, Heavy Equipment Operation, Food Service, and many more. In all there are approximately 25 fields of study from which to choose. The students are indeed very lucky to be offered such opportunities, and we hope to see many taking advantage of them.

Tom Lagoy

## AUTO MECHANICS

Fred Cleveland

Teacher Mr. Gillette

For one who wants to become a mechanic this course is a real opportunity. Here trained, experienced mechanics lend their expert assistance to any student in need of help. Students are provided with the best equipment, and while they do the actual work, the instructor is always on hand to aid them or teach them easier and faster ways of doing things. Upon completion of the 2 year course they are certified mechanics, and these are the men who will keep our country in motion.

## CONSERVATION

Teacher Mr. Sipp

In the conservation class the boys have the privilege of taking countless field trips where they are able to observe demonstrations of the equipment they study. They not only learn use, but also maintenance of such things as bulldozers, back hoes, chain saws, and other important tools.

Included in class-room activities is the study of the habitat and environment connected with our wildlife. Another phase is the use of survey equipment. Their aim of course is to preserve our wildlife and the natural beauty of our mountains and forests.

Demis McCoy

We the class of 1970 wish to salute

Through his unceasing efforts he has striven to instill in us the qualities of sportsmanship, dedication, loyalty, and hard work.

Built On Leadership, Scholarship, Service, And Citizenship

K. Hansen, F. Boehmer, Mr. Rott (advisor), L. Murray, J. Neumann, J. Moosbrugger, R. French, D. Aldrich.

A society of young thespians, hams, and hard workers who bring, through their hard work and determination, entertainment and pleasure to their community.

## DRAMA CLUB

## NEWSPAPER

Journalists of America, beware! Here comes the B. C. S. contribution to your society; the staff of the "Eagle".

## BOLTON BAND

The Bolton Band has always been a group that everyone is proud of. The Senior band members will never forget those wrong notes, squeaks, and all other serious moments of music.

Mr. Fred Dorr -- Director

## BAND OFFICERS

## SENIOR BAND MEMBERS

One line of a well known poem reads: "A song is no song till you sing it," and that's just what happens in the B. C. S. chorus. No matter what kind of person you are, a song can make you happy, and that is our aim.

## CHORUS

## BOWLING

A sport for everyone.

Sam Marx, Hollywood producer, has spent a good many sleepless nights trying to figure out how much wisdom can be crammed into four words. He lists the following, each one neither more nor less than four words:

In God we trust. This, too, shall pass. Live and let live. Still waters run deep. Bad news travels fast. Love laughs at locksmiths. Nothing succeeds like success. Charity begins at home. Politics makes strange bedfellows. Nothing ventured, nothing gained. Man proposes, God disposes. Let sleeping dogs lie.

The moral may be: If you can't say it in four words, don't say it.
