or in Switzerland*

"Chocolate" Baldwin

The past is but the beginning of a beginning, and all that is and has been is but the twilight of the dawn.

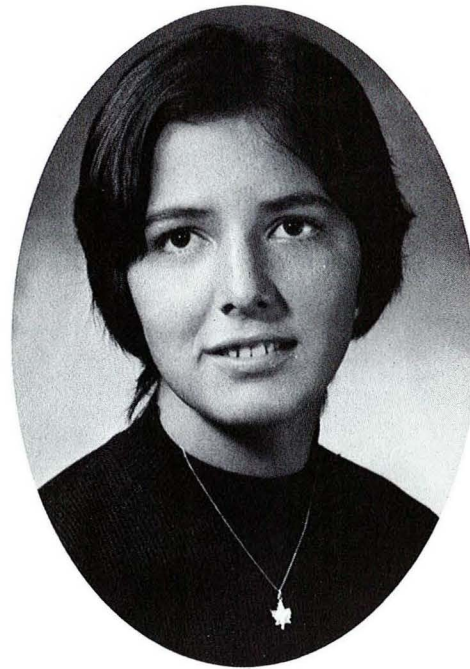

"Boehm" John Boehmer

Knowledge is a comfortable and necessary retreat and shelter for us in an advanced age; and if we do not plant it while young it will give us no shade when we grow old.

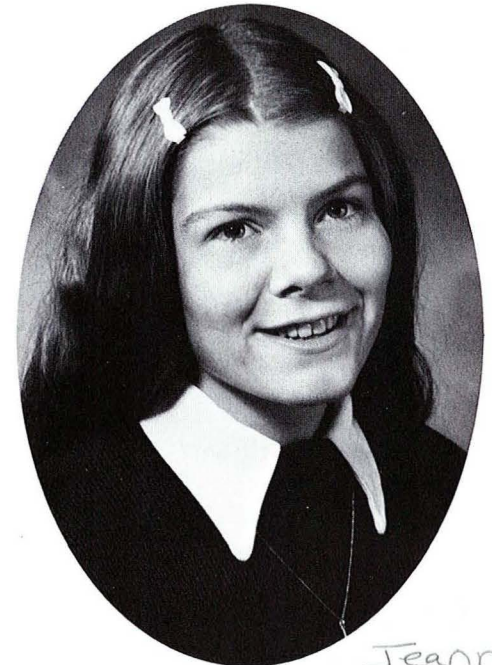

"Ker" Kerry Barlow

Refuse no man any favor that you owe him, when it lies in your power to pay it.

"Bambi" Carrington

When spring is dancing among the hills one should not stay in a little dark corner.

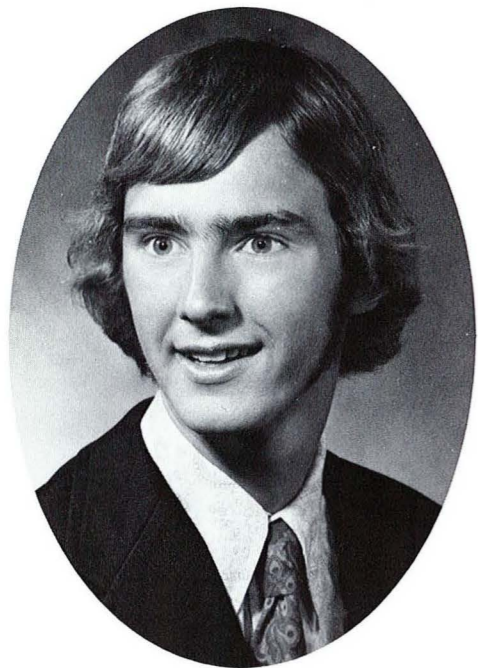

"Nett" Jeannette Curren

There was never any yet that wholly could escape love, and never shall there be any, never so long as beauty shall be, never so long as eyes can see.

"Yo" Andy Cotton

A man doesn't begin to attain wisdom until he recognizes that he is no longer indispensable.

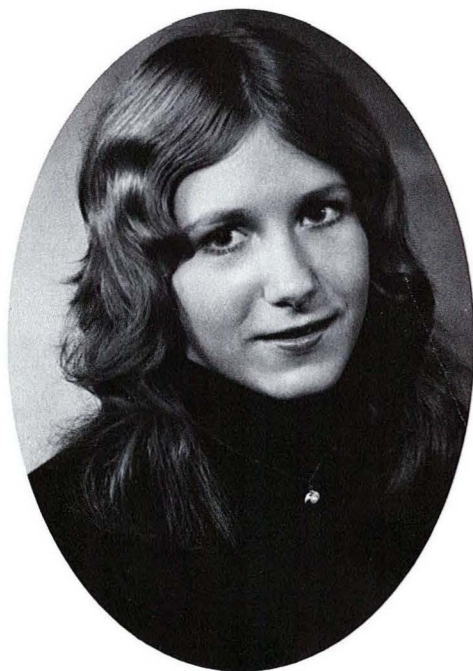

"Scotty" Currie

Count your age by friends, not years; judge your life by happiness, not tears; for a wise man once said, "those who know not happiness, know not life".

"Sue" Edwards

Happiness is the door to life, and living is the key.

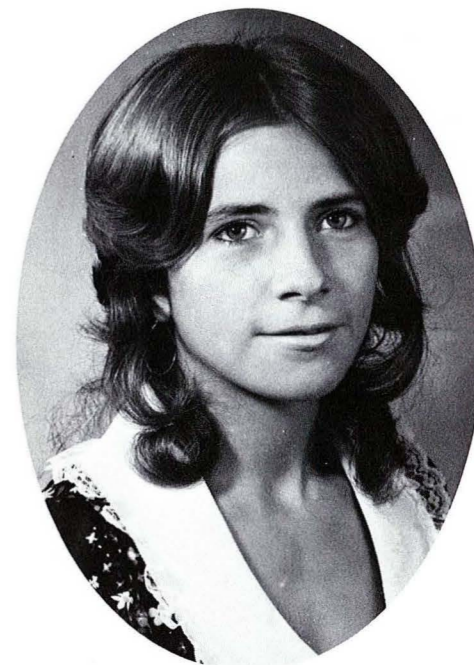

"Muffin"

Two most important things in human nature are self urge to love, and reason to restrain.

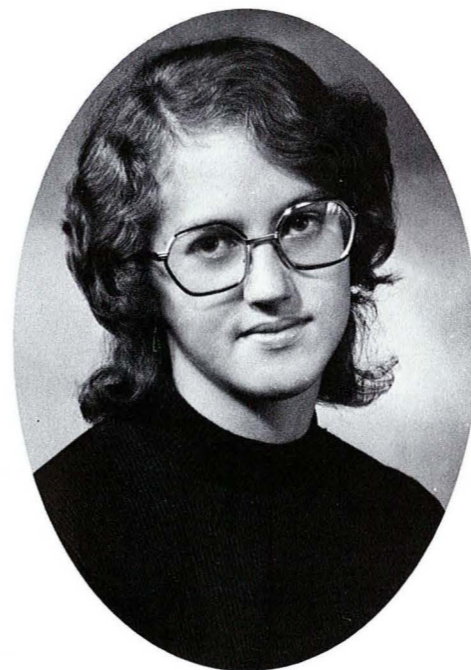

"Taffy" Flood

The hardest part of loving is allowing yourself to be loved.

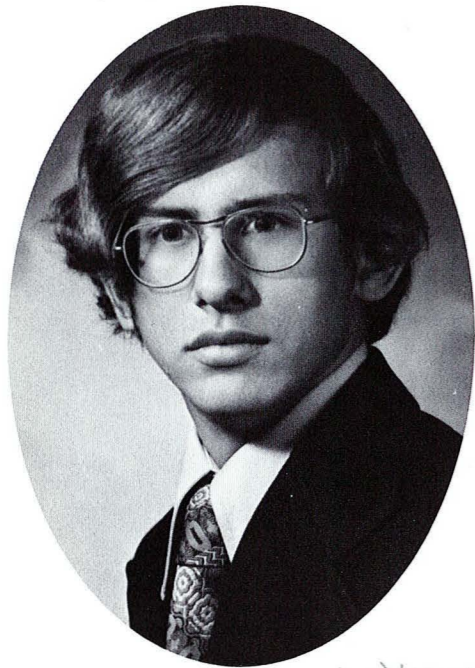

"Midge"

Man has his will-but woman has her way.

"Frenchy" Bonnie French

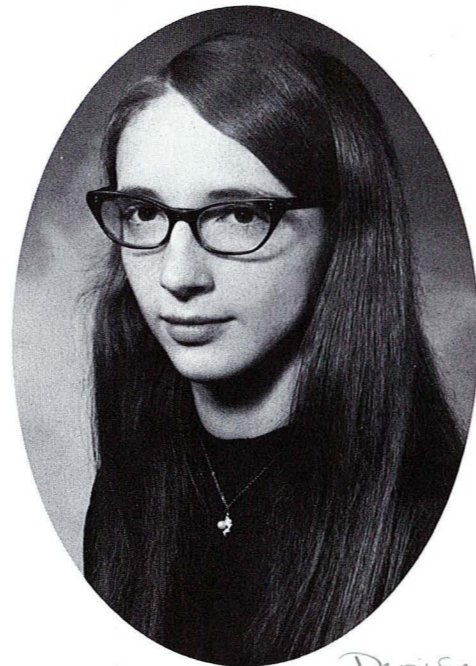

True happiness consists not in the multitude of friends, but in the worth and choice.

LaVerne French

"Crash-Second"

Love has a big meaning in the world today, but it has to work on both sides. Make sure you know the meaning of Love before using it. It can hurt.

Denise

"Niesey" Harrington

Look beneath the surface; let not the several quality of a thing nor its worth escape thee.

Judy Hayes

Wish for what you want, of course; but work for what you want and get it.

Cheryl Jordan

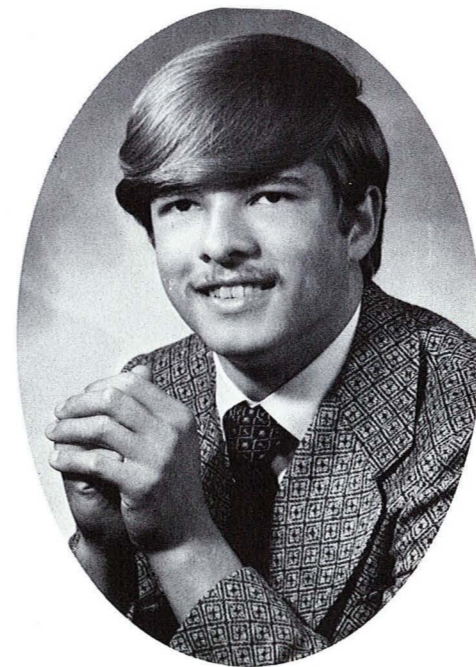

I look up and not down, I look forward and not back, I look out and not in, and I try to lend a hand.

Alice Garlick

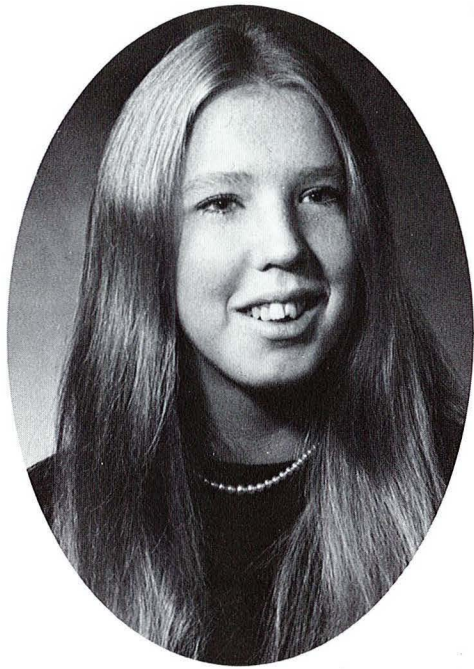

"Al"

Everyone is a moon, and has a dark side which he never shows to anybody.

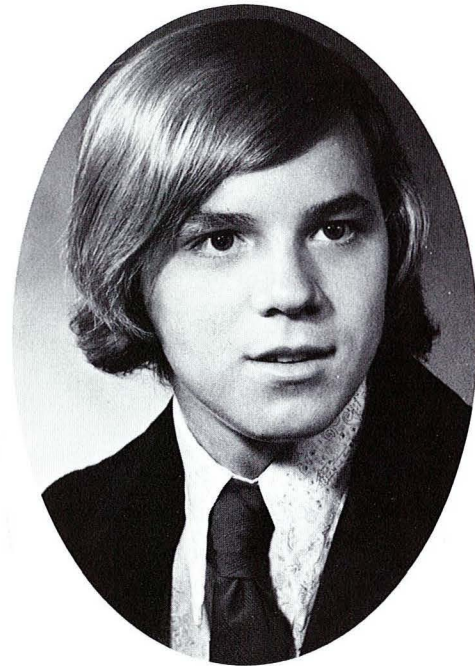

Vern Hayes

If you love something, set it free; If it comes back, it's yours; If it doesn't, it never was.

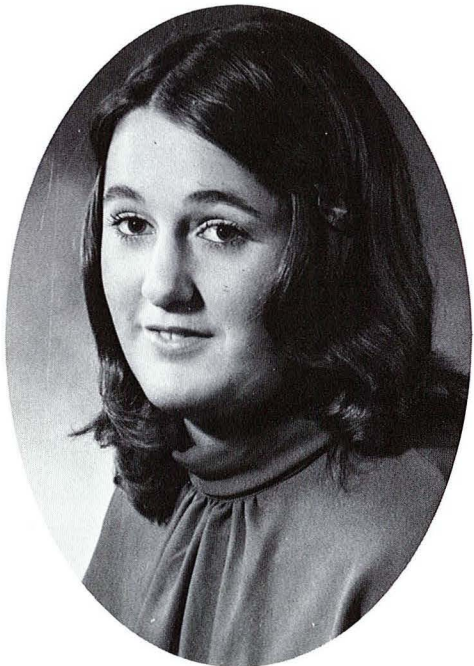

"Smiley" Koupash

A moment of true peace is like a phantom jewel glittering on a leaf, for a supreme pinpoint of time and then is gone.

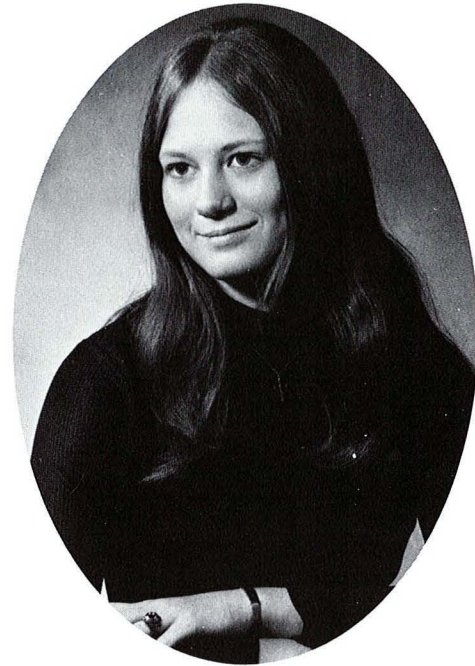

"Dad" Perry Lee

After a little experience, a man realizes he can go to bed at midnight and seldom miss anything.

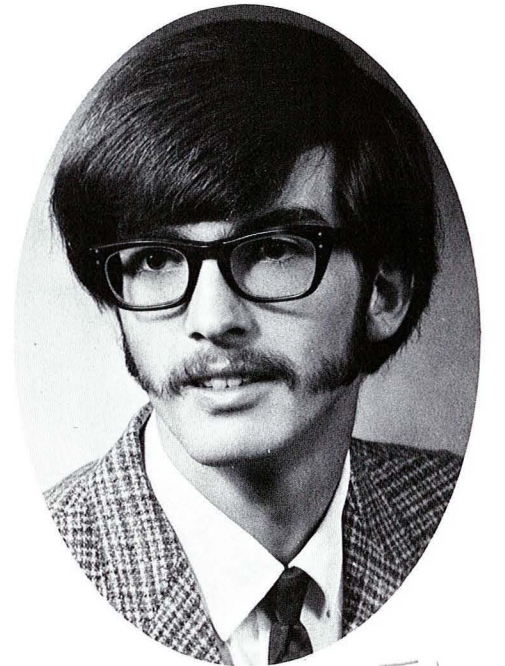

"Chopper" Heidi Lamb

Live for today, for tomorrow is but a dream, and yesterday but a memory.

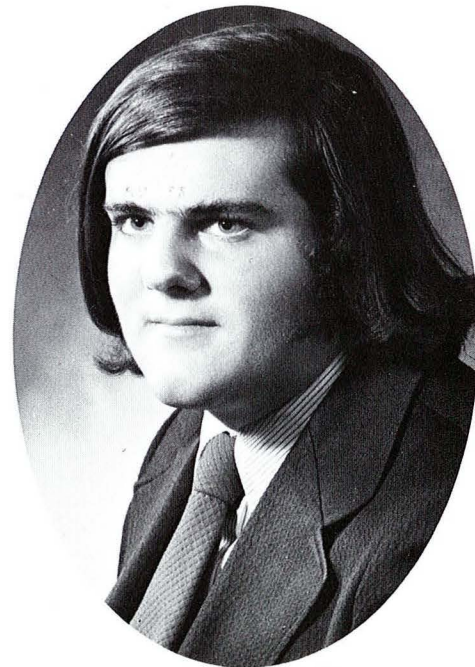

"Mel" Miller

I believe in the sun, even when it isn't shining, I believe in love, even when I am alone, I believe in God, even when he is silent.

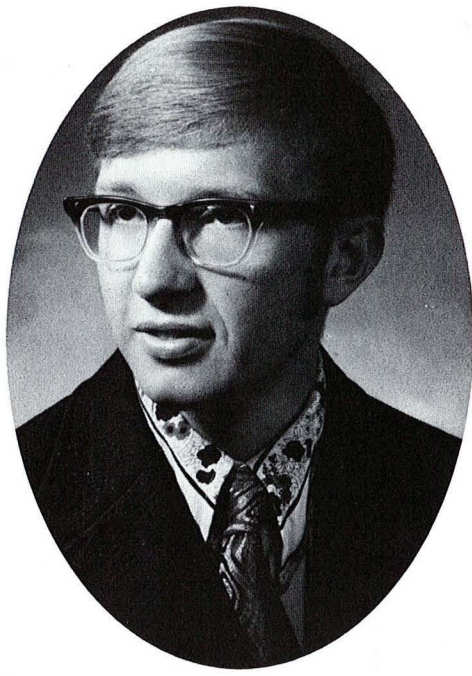

"A-Jay" John Perry

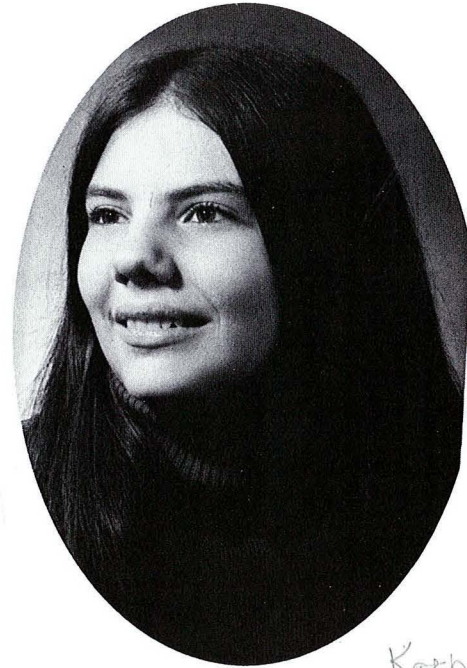

"Bozo" Passaro

What ever you Do in life, do it well, and always do what's best for you and all your friends. No matter who you are, you are better than everyone else, yet humility is the key to success.

"Art" *Persons*

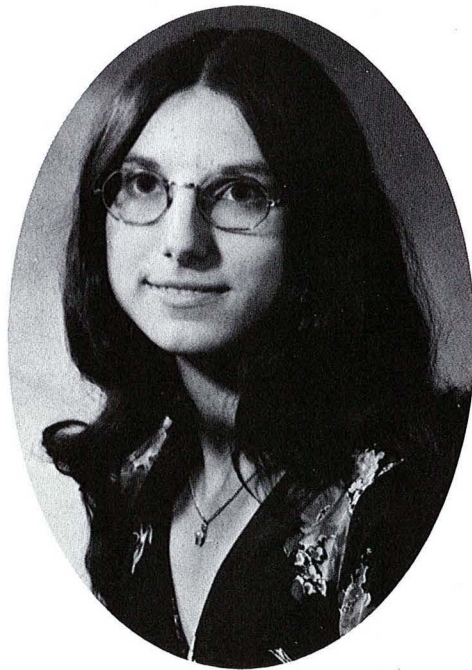

Turn your face to the sun, and the shadows will ever fall behind you.

"Sqaw"

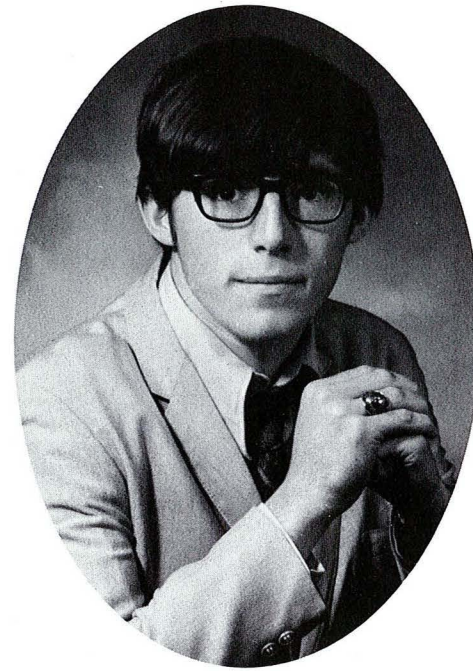

Kathy Baldwin

Life is beautiful; and part of its beauty is sharing someones love.

"Bonnie" *French*

Let me never fail to be kind, for I shall never pass this way again.

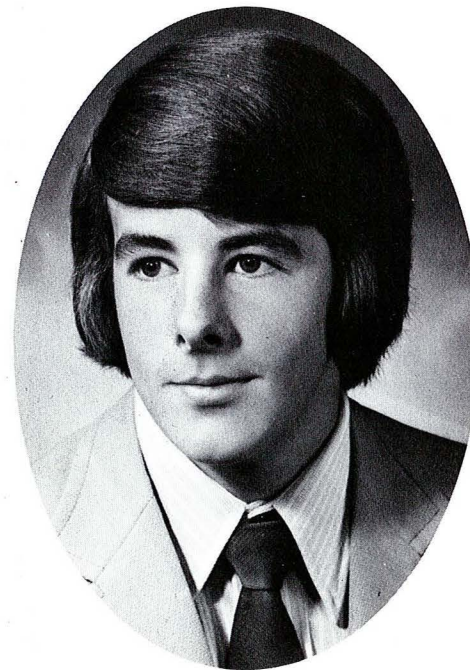

"Don" *Quigley*

Life is hell, you are damned if you do and damned if you don't, but do what you will, for it is most important to yourself.

"Carley" *Carla Root*

Tact, is the ability to stay in the middle without getting caught there.

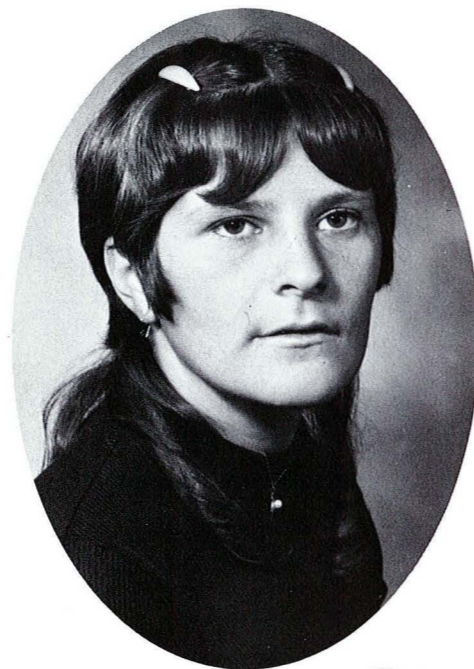

"Mark" *Roden*

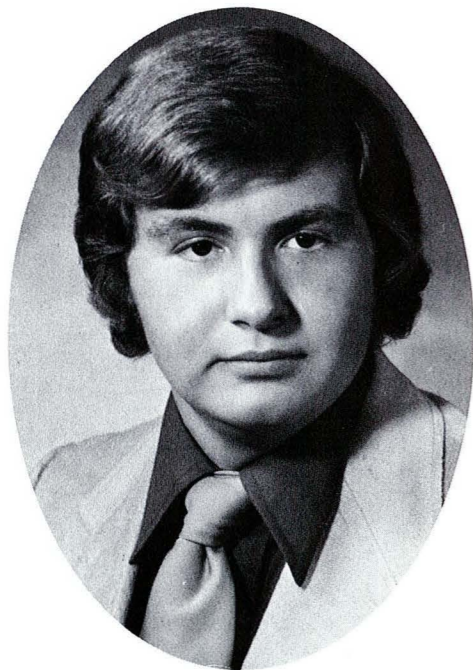

I can resist everything except temptation.

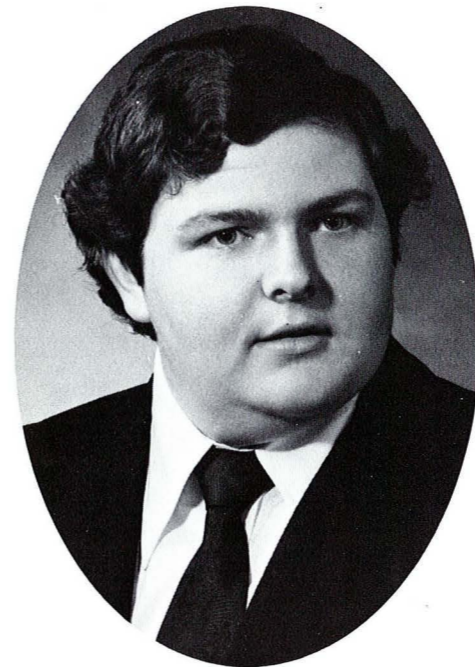

"Hoss"
Dolores Ross

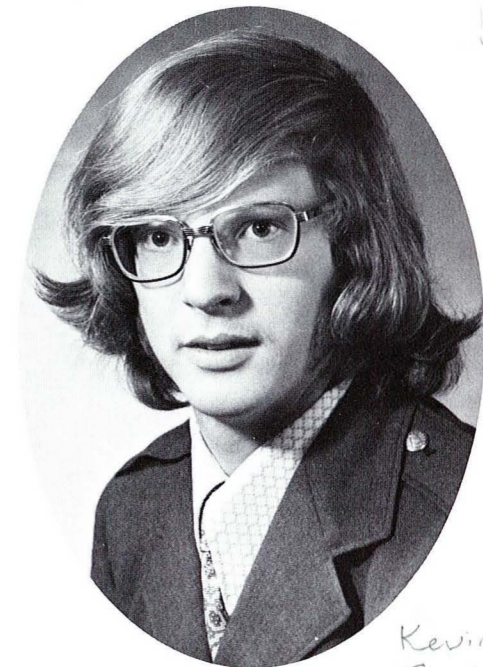

"Easy Ryder"
Deb French
To see me is to love me, and love but me forever, for nature made me what I am, and never made another.

"Brett" Scott
The knowledge that lives in someone's memory gives to life a little color.

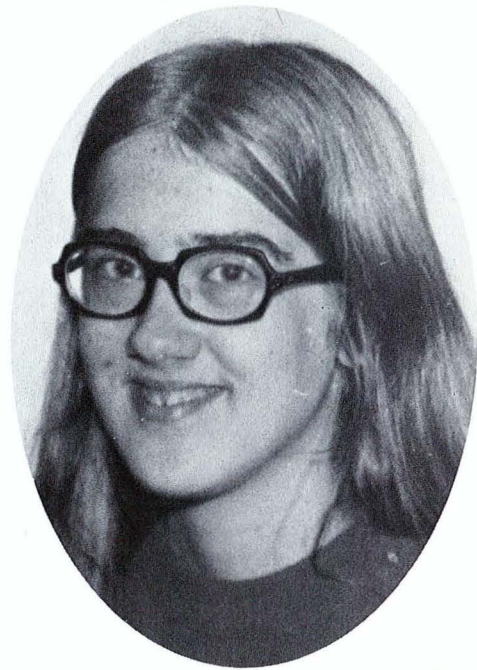

"Kev" Sherman
Two hands upon the breast, and work is done. Two pale feet crossed in rest, the race is won.

Kevin Sheldon
"Meatball"
There's no sauce in the world like hunger.

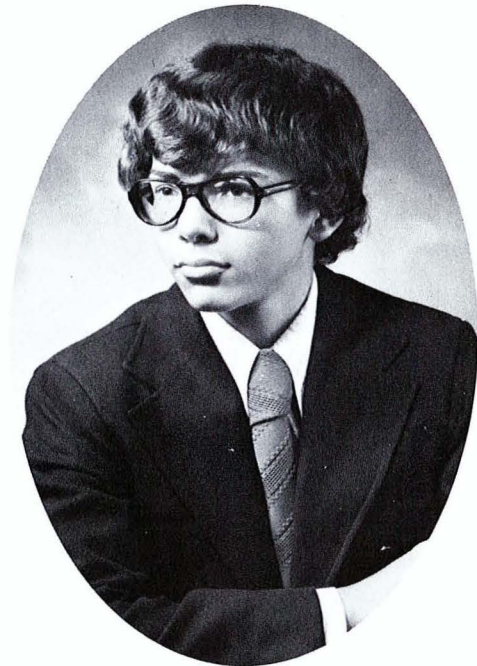

"War-Be" Laurie Sherman
Here's a sigh for those who love me, and a smile for those who hate me, and whatever skies above me, here's a heart for any fate.

Dori Smilk

"Dori"

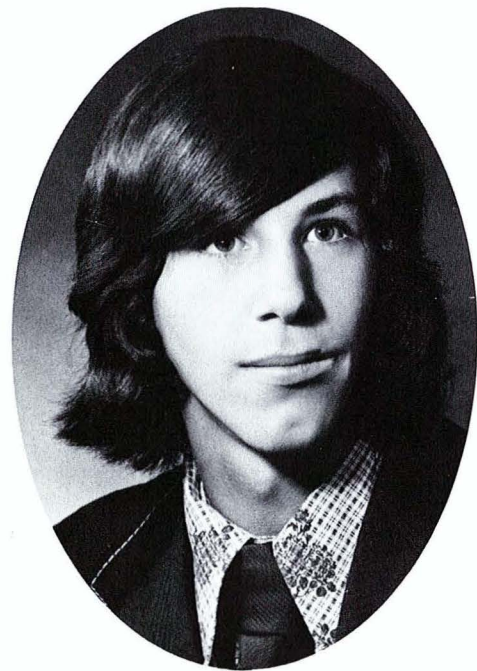

If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured or far away.

Keith Zoll

"Keifer"

Everything's funny as long as it's happening to someone else.

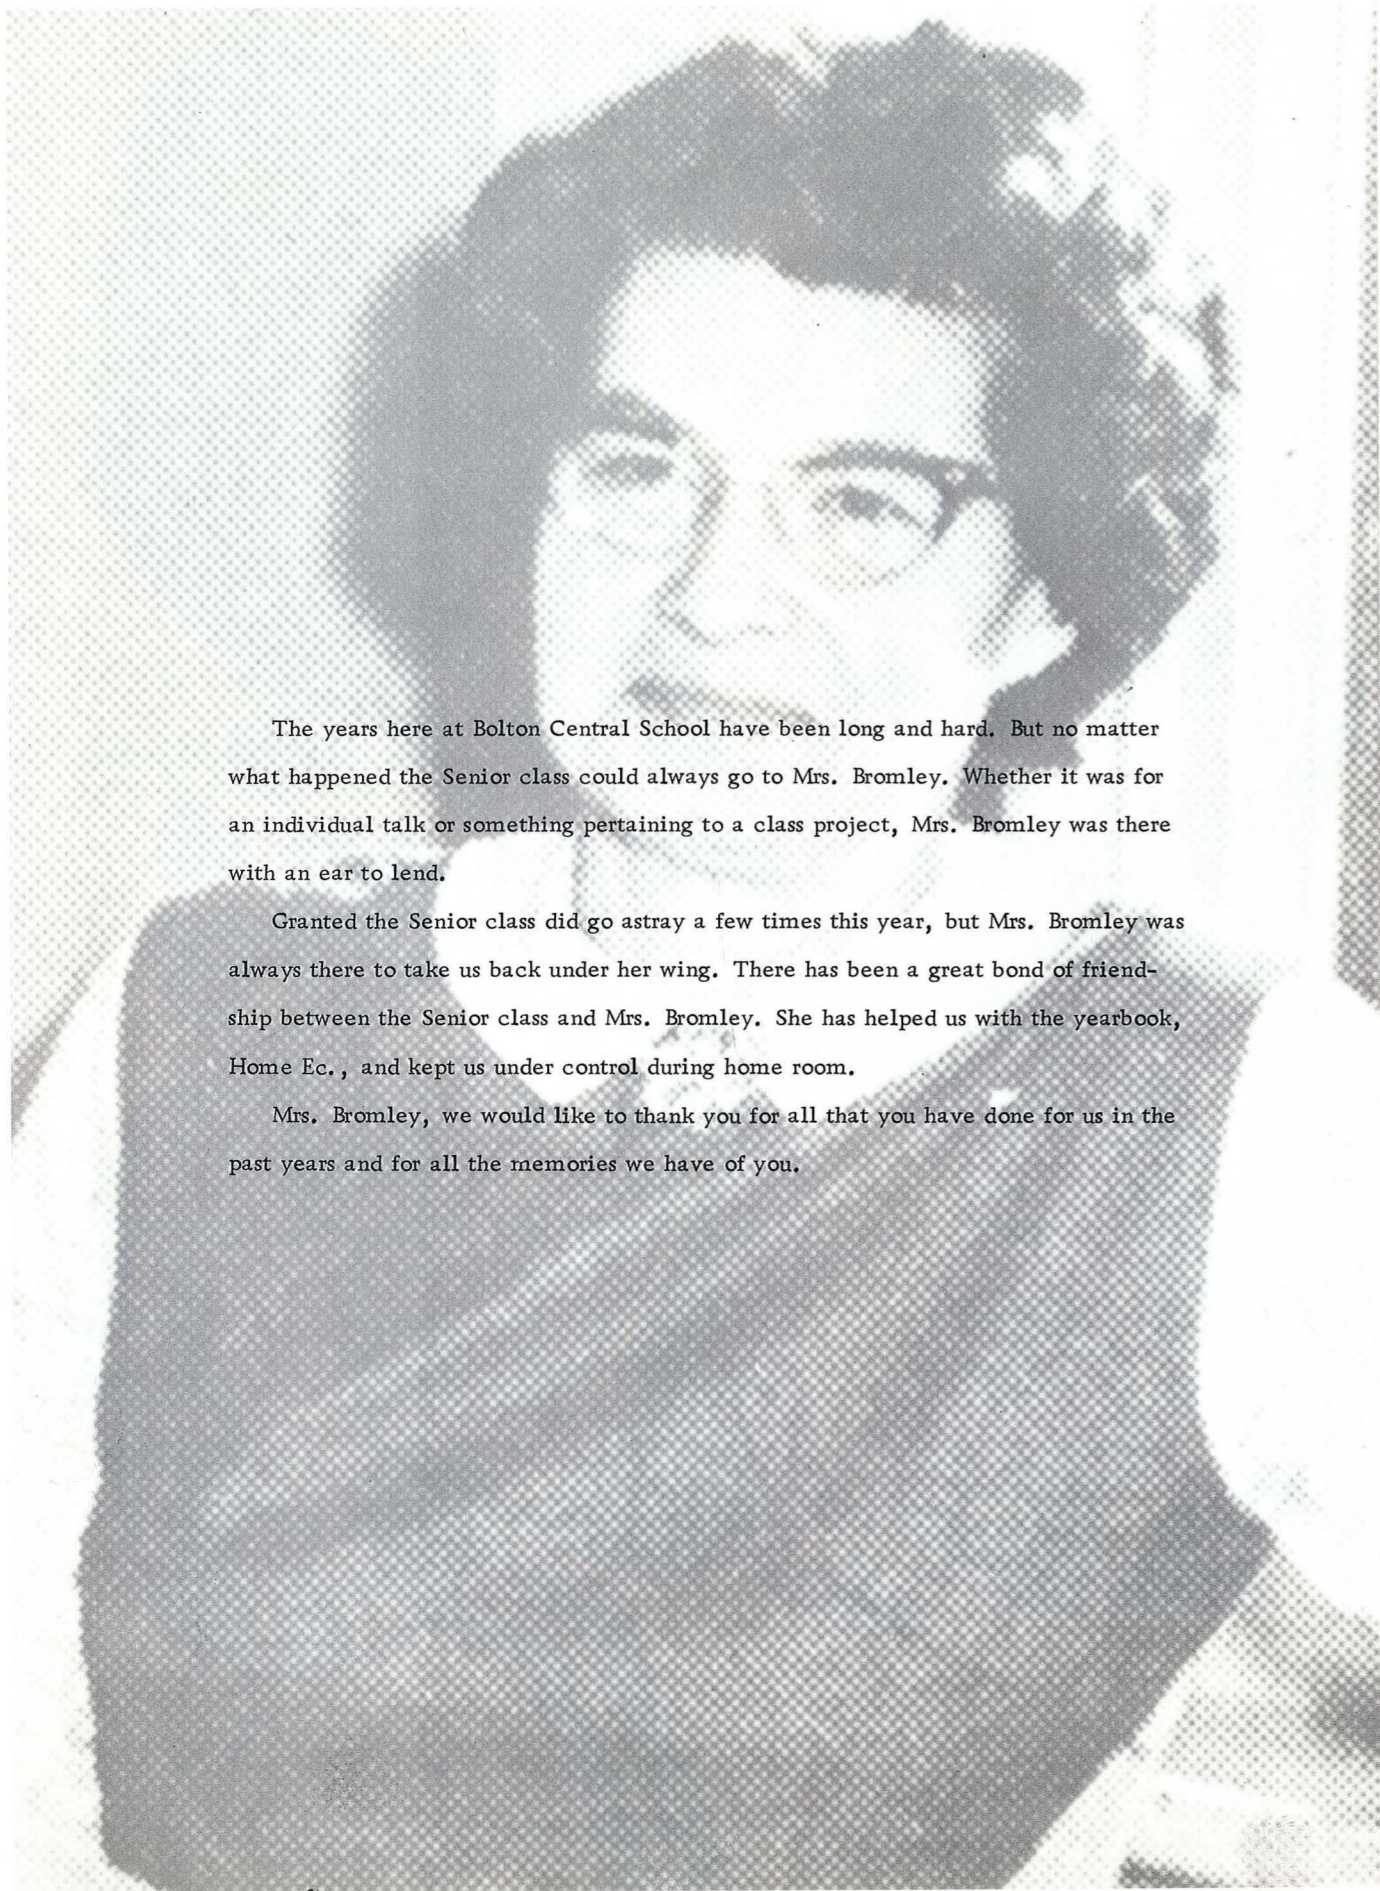

"Mike" Snyder

I Want What I Want When I Want It.

The

The years here at Bolton Central School have been long and hard. But no matter what happened the Senior class could always go to Mrs. Bromley. Whether it was for an individual talk or something pertaining to a class project, Mrs. Bromley was there with an ear to lend.

Granted the Senior class did go astray a few times this year, but Mrs. Bromley was always there to take us back under her wing. There has been a great bond of friendship between the Senior class and Mrs. Bromley. She has helped us with the yearbook, Home Ec., and kept us under control during home room.

Mrs. Bromley, we would like to thank you for all that you have done for us in the past years and for all the memories we have of you.

IN MEMORY OF

FRANK BOEHMER

Many of us knew and loved Frank Boehmer, Junior. He may not be here today but our hearts and our thoughts will always be with him.

ADAH PERRY

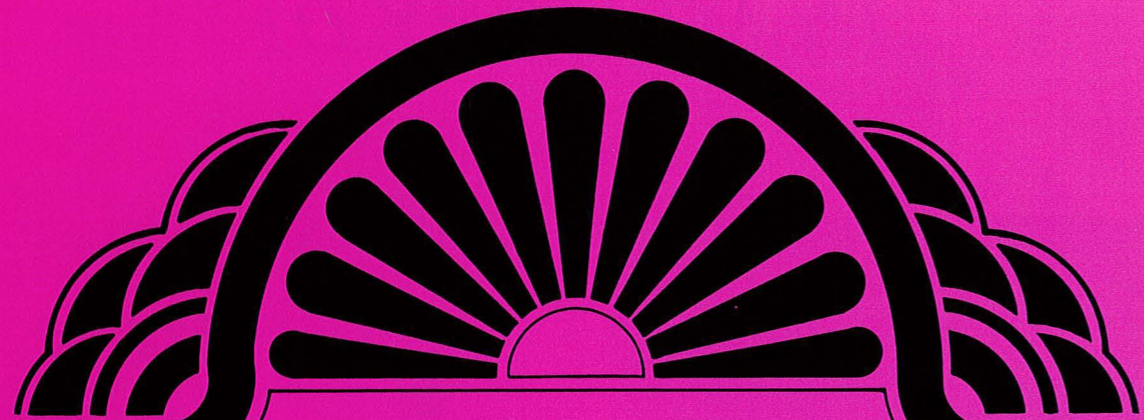

Bird of Passage

Flutter of wing
Lightly to rafter
Softly to sing
of life and of laughter.

Forth from our hands
Wings spread at night
To far-calling lands
Sudden its flight.

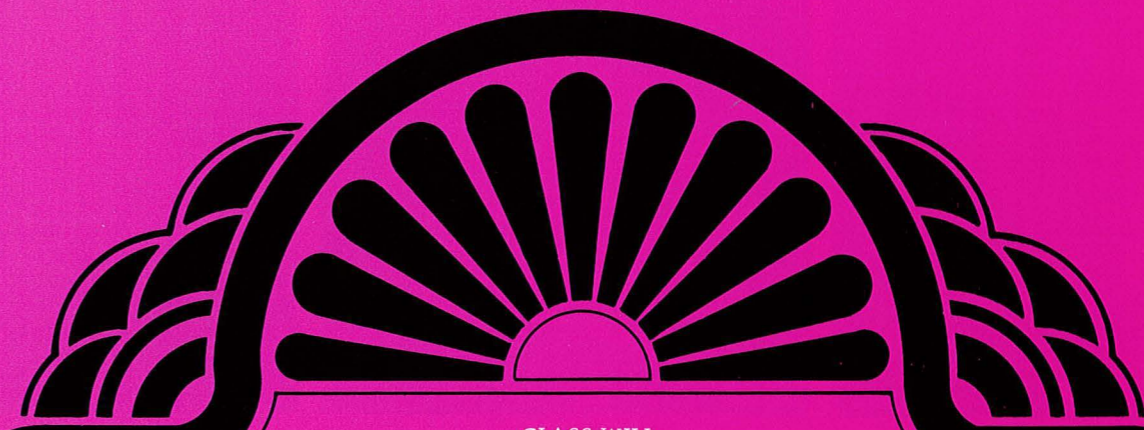

Leaving along
The length of lone rafter
An echo of song
Echoes of laughter.

We, The Class of 74, would like to express our deep appreciation to Preston, our Bus Driver, who knows all the routes around Washington without a map, and to the Cassidys and Simpsons our chaperones for our unforgettable Senior trip. Also special thanks to Mrs. Bromley and Mr. Welton for their "sincere devotion" in aiding us with OUR PROM.
