# INTRODUCTION

Life is like a game. We all start at the same place and have the same rules, but in playing the game, we aren't all asked the same questions and we each get a different "roll of the dice." But if we play through and do the best we can, we'll all end up winners in life. To see if you are a winner in our version of Trivial Pursuit®, check your answers on page 128. Good luck!

“When the One Great Scorer comes to write against your name —  
He marks — not that you won or lost — but how you played the game.”  
Grantland Rice

“In battle or business, whatever the game,  
In law or in love, it is ever the same;  
In the struggle for power, or the scramble for pelf,  
Let this be your motto — Rely on yourself!  
For, whether the prize be a ribbon or throne,  
The victor is he who can go it alone.”  
John Godfrey Saxe

“What mighty contests rise from trivial things.”  
Alexander Pope

## ALWAYS HAVE A DREAM

Forget about the days when it's been cloudy,  
But don't forget your hours in the sun . . .  
Forget about the times you've been defeated,  
But don't forget the victories you've won.  
Forget about the mistakes that you can't change,  
But don't forget the lessons that you've learned . . .  
Forget about the misfortunes you've encountered,  
But don't forget the times your luck has turned.  
Forget about the days when you've been lonely,  
But don't forget the friendly smiles you've seen . . .  
Forget about the plans that didn't seem to work out,  
But don't forget to ALWAYS HAVE A DREAM!

## SENIORS REMEMBER

Dolores Kober

Lorenzo Harrington

Shannon Scott

In a year when much was  
given,  
Much was taken, too,  
So we who pause and give  
our thanks

For what now is,  
Think, too, of what once  
was,  
And we are grateful for  
The threads of lives gone  
by,  
Threads that enrich the  
fabric  
Of this, the life we know.

Philip Coon

Mr. Greene

We would like to dedicate our book to Mr. Greene, who has been our advisor since seventh grade. He has stood by us and helped us with many problems. Due to his help and guidance, our prom was a great success. We were lucky to have an advisor who helped us so much. Thanks!

## SENIOR DEDICATION

Mrs. DeHoney

We would also like to dedicate our yearbook to Mrs. DeHoney for all her help. She has been our English teacher, our yearbook advisor, and homeroom teacher. Without her expertise, this yearbook would not have been possible. Thanks!

Mr. Curri

## SPECIAL THANKS

Mrs. O'Connor

The Class of 1986 would like to extend our special thanks to Mr. Curri and Mrs. O'Connor. Mr. Curri was with us from our first timid day of kindergarten until our sophomore year. He was always there to talk to and to guide us. His smile greeted us every day and his concern for us was always apparent. Thank you for being there!

Mrs. O'Connor has been our math teacher, basketball and soccer coach and this year is our advisor and homeroom teacher. Each year we have looked forward to the sports' season with her. Although she makes many demands on us, we know that she has our best interests at heart. We'll miss you!

Ms. Amy Devine

Amy, our Taylor Publishing representative, has helped us a great deal this year. She answered questions, supported our ideas, made the seemingly impossible possible, and was always there to help in a crisis. Thank you, Amy, for making our book so successful!

*If I leave here tomorrow,  
would you still remember me?  
For I must be traveling on now  
cause there's too many places  
I've got to see.  
And if I stay here with you now,  
things just couldn't be the same  
cause I'm as free as a bird now  
and the bird they'll never change,  
and the bird you cannot change,  
Lord knows I can't change,  
oh won't you fly oh freebird.*

# PROPHECY

The year 2006 finds the Class of '86 at the Sagamore for their 20 year reunion. Laurie, who owns the hotel, is our hostess for the evening. She acquired her wealth through her judgeship on *The Peoples' Tort*. Jennifer, Laurie's partner, has established a nightclub adjoining the Algonquin and is planning a new resort in Paradise Bay where class members will have free lifetime membership. Dona, who is Madonna's fashion designer, is the first to arrive. This is a radical change from her former days of procrastination. Unfortunately, husband Michael was unable to accompany her. Cheryl and Kim drove up from Texas where Kim is a cheerleader for the Dallas Cowboys and Cheryl writes her internationally syndicated advice column. Jeff, who manufactures motorcycles, drove over from his headquarters in Japan on his hydrobike. Sharon called time out from her job as coach for Chippen- dale's Football Team to attend. Jacoba took a break from the racing circuit after her latest victory — the Kentucky Derby. Sue is fashionably late due to her flight from London where she is fashion coordinator to Princess Di and the royal family. Kerri and Ronnie couldn't make it because their basketball teams were com- peting for the World Championship. May the best (wo)man win! Ralph, another absentee, was last known to be in Libya and is listed as M.I.A.

Corbin and his band, The Psychedelic Scene, just back from a world tour, are providing the evening's entertainment. Joe and Walter arrive together discussing their athletic achievements. Joe recently returned from England where he was vic- torious at Wimbledon. Walter is still pumped up from the gold medal he won in skiing during the 2004 Winter Olympics. Mariann and Becky cruised up from Lake George where they are co-owners of the Lake George Steamboat Company. They have turned the boats into all-male floating nightclubs. Rhonda, owner of a chic department store, announced a clearance sale of Sue's cheap jewelry, which Sue sent over from London hoping it would sell in the States. Theta and Charlene come in together. Theta, a professional model, hired Charlene as her hair designer for the evening's festivities. Charlene gave up her position with José Ebér to accom- pany her. Stacey, late as usual, runs into the room in her gown and sneakers yell- ing, "Am I late? Am I late?" She just finished a rigorous coaching session with her Olympic volleyball team. Following Stacey, with linament in hand, is Dr. Castro, who is a specialist in sports medicine. Everybody agreed that Stacey took the news that her star server had broken her wrist quite calmly. At 11:30 the big screen TV is turned on. "Live from New York, it's Saturday Night Live. Written, produced, directed by, and starring Dave Lanning."

*Laurie,*

*As you graduate and leave behind your high school days, don't forget to pack the memories for they will be music to your heart.*

*You will also leave behind two people who have been privileged to share your life for some 18 years. Please leave room in your luggage for a few minor things, alongside the memories.*

*Most important — our love, for like a lighted buoy on the water at night, it will be unfailing as it keeps you safely on course.*

*Secondly, our pride — may it inspire you to settle for nothing less than your very best effort.*

*Our unfaltering belief that you will meet life head-on and succeed.*

*Our respect — for the person you are now and for the person you have yet to become.*

*Last of all — our thanks for simply being you!*

*The bathroom will be empty and quiet when over the sound of rock music competed with the hair dryer. A bedroom will stay neat and tidy day, after day, after day.*

*Empty soda cans will be conspicuously absent with only the rings on the furniture as a reminder of who put them there.*

*A car that is always at my beck and call, but, oh, how we will miss you when you go.*

*X 2,*

*Mom and Dad*
