This book is a reflection of our years at B.C.S. and whether we realize it or not we have grown together as a family! Just like a family there are conflicts and hard times. We have had our share of them but learned valuable lessons that will be with us forever. There have been good times that made the efforts of school a little less hectic. These friends that we have grown with will be treasured. Our class has become known for its creativity and individuality. WE ARE A BIT ON THE WILD SIDE!

Dr. J. Seeley

Thanks for all your love, Mom and Dad, and for all you've done for me. Words can hardly express all that you mean to me, and all you've done for me through the years. I've realized as I get older, that you're not only my parents but my friends also. And that is very precious to me. Not everyone has a friendship with their parents. I know that I will always have the two of you to talk over any problem I have and that you will listen and give me the best advice you have. We both have our bad days, but our love still stays strong. We understand each other better every day. Thank you for all you are, for being the best parents you know how to be. Thank you for always listening, for all your love and affection, and for all you've done for me. I LOVE YOU FOREVER!!

# THANKS

**Patsy** — Thanks for the thirteen years you unselfishly gave of yourself to the students and staff. Your patience and generous sacrifices of time have meant so much to so many of us. Your enthusiasm has carried us through many times when we needed encouragement. **Mr. Seeley** — Thanks for taking the time to attempt to guide us down the straight and narrow path, for helping us to "see the light." Thanks for being there and making the commitment to care. **Mr. McKinney** — Thanks for "advising" our class, for help in decorating for the prom and dances and for your encouragement. **Mr. Curren** — Thanks for keeping our school in shipshape condition for so many years. We wish you much happiness and enjoyable times ahead as you retire. We miss you! **Mr. Truax** — You are out there in the hot sun or the frigid winter making sure we get to school safely. Thanks! To the **Yearbook Staff** — We did it! We worked hard, we planned, and decided, pulled together, cared and compromised. We are proud of our efforts and hold our heads high! Congratulations to the yearbook staff of 1991 **Danna, Karma, Jen, Mindy, Colleen, Erika, Jason, Kim, Ms. Hoffer, and Debbie Ciarelli.**

## **REMEMBRANCE**

REMEMBER me when I am gone away,  
Gone far away into the silent land;  
When you can no more hold me by the hand,  
Nor I half turn to go, yet turning stay.  
Remember me when no more day by day  
you tell me of our future that you plann'd:  
Only remember me; you understand  
it will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not grieve:  
For if the darkness and corruption leave  
A vestige of the thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.

— Christina Georgina Rossetti

P.S. We will always love you Jug.

# OUR PROPHECY

---

Let us look into the future: It is the year 2011, as the BCS Class of 1991 gathers for its 20th reunion.

Hosting the festivities is Danna, who is now the owner and general manager of Frank's Snack Bar, which she renamed "Dino's Dog Shack!" After 12 years in the army reserves, she decided to retreat to Bolton to share her newfound cooking expertise.

First to arrive is Karma, who rode horseback from Arizona to attend. Her baggage consists of her 22 pets, claiming their love would give her fuel for the journey.

Next to arrive is Jennifer, who has married a millionaire after 10 years of modeling in New York City. She has converted Wilson's into a high fashion boutique, with chains across the country.

Willie makes a grand entrance, wearing a tuxedo and white gloves. He has just come from the awards ceremony for his latest volume of poetry. Colleen is right behind him screaming, "I Loved your volume on horses!" She can only stay a few minutes, because she has a medical emergency to attend to. She apologizes for being on call, but her veterinarian status is most important. She and Jennifer just have a few minutes to reminisce before she dashes out the door. "Ciao! Say hello to everyone!"

Aaron and Darrin arrive together in their customized limo. Fans are clamoring at them as they push through. Their legendary band, "The Hair Boys" (so named for Darrin's 6 foot long locks, which he hasn't cut since high school) are providing entertainment for the evening!

Jason got a leave from a case on the Supreme Court to attend. The first Boltonian to become a Supreme Court Justice, he is somewhat of a legend. Unfortunately, he is quite preoccupied with the case, continuously muttering "guilty" under his breath!

Erika rushes in with her French husband, screaming "Am I late?" She quickly hopped a plane to make the festivities, amidst her showing at the Louvre. Now a world famous painter she knew she had to see how her old buddies were doing!

Mike strolls in, still chanting "Peace." He has proven his belief by winning the Nobel Peace Prize in 2000. Since then, he has been working in Africa for the Peace Corps. Rumor has it that he and Mr. Welton are collaborating for next year's Nobel Prize!

Sarah drives up in her "See news happening" reporting van. She is on top of a hot story, and has just stopped in to say hi to her old school pals. After a brief stay, she jumps back into her van, yelling out the window not to forget to check out the front page of the Post Star tomorrow.

Peter and Rob arrive together. They are just returning from Peter's used car lot, "Pete's Park it." Rob has just bought a car so he can do a photo diary about his upcoming cross-country trip. He was in the Middle East for five years taking photographs for Time magazine. Peter isn't hesitating to tell everyone what great deals he is offering at Park It.

Mindy arrives dressed in an Elvis impersonator outfit. Everyone is puzzled, but she explains she has just flown in from doing a promo in her Memphis office where she heads Elvis' estate. She now owns and runs Graceland!

Jamie arrives late because he was caught speeding to get here. John Howse, a state trooper, had no choice but to give him a ticket, delaying them both. Jamie was trying frantically to finish a banquet at the Market Place, which he now owns and manages!

Absent from the reunion are John Huck and Kim. General Huck is engaged in a top secret mission with the Navy Seals. He sent a telegram with his regards. Rumor has it Kim is piloting a flight to South America, and is lost somewhere in the Amazon! All in all, it's been a great evening. This night will add to the many memories of our high school days.

*"The brain is wider than the sky,  
 For, put them side by side,  
 The one the other will include  
 With ease, and you beside.  
 The brain is deeper than the sea  
 For, hold them, blue to blue,  
 The one the other will absorb,  
 As sponges, buckets do.  
 The brain is just the weight of God,  
 For lift them, pound for pound,  
 And they will differ, if they do,  
 As syllable from sound"*

(Late for class) "Well I'll have you know the school's clocks are wrong. My watch is correctly set by calling time and temperature."

(Why can't you raise your hand?) "I just get so excited when I know the answer."

(Where is your homework?) "I gave it to \_\_\_\_\_ to copy and he lost it — so yell at him."

. . . My dog was sick on it and you really wouldn't want it!

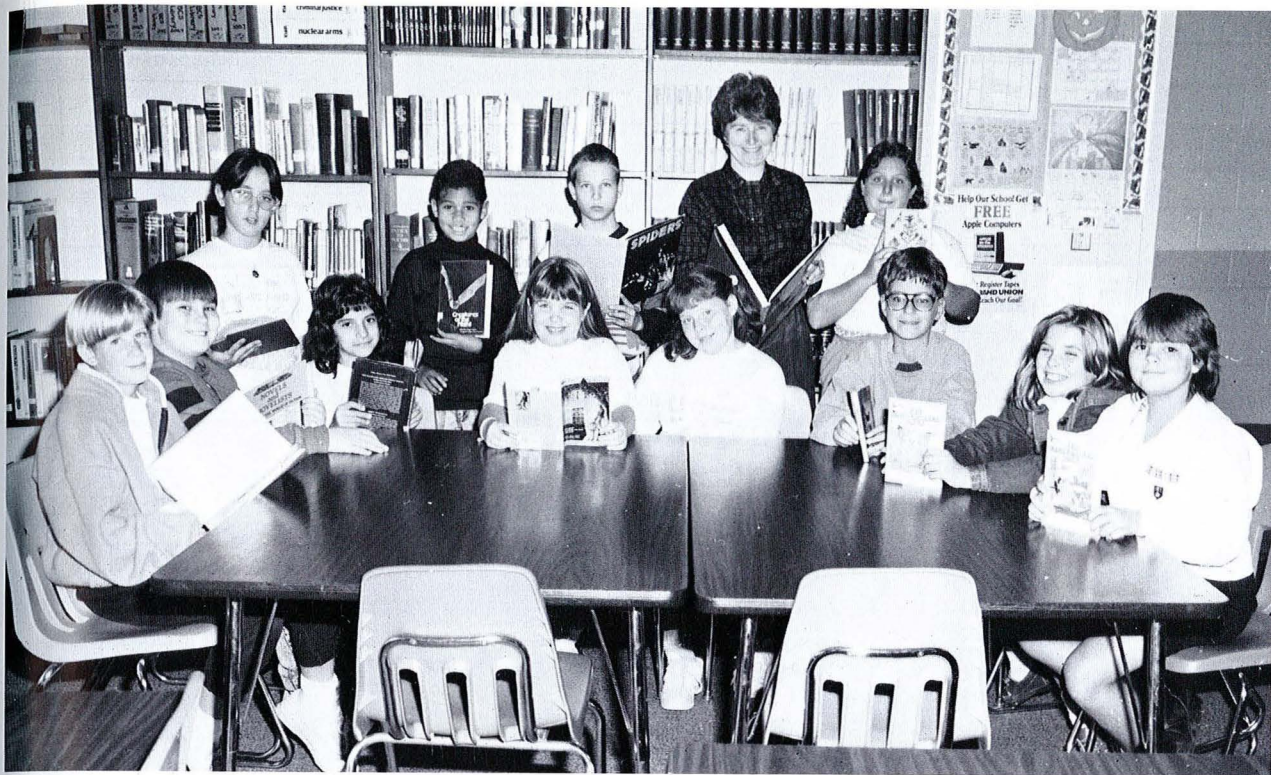

. . . You won't believe this Mrs. \_\_\_\_\_, but here's my math paper I have owed you for a week. We have a piano stool that opens to store sheet music and the maid stuck my math paper in there!

. . . This is Home Ec., what do you mean we have homework!

. . . This is art, what do you mean we have homework!

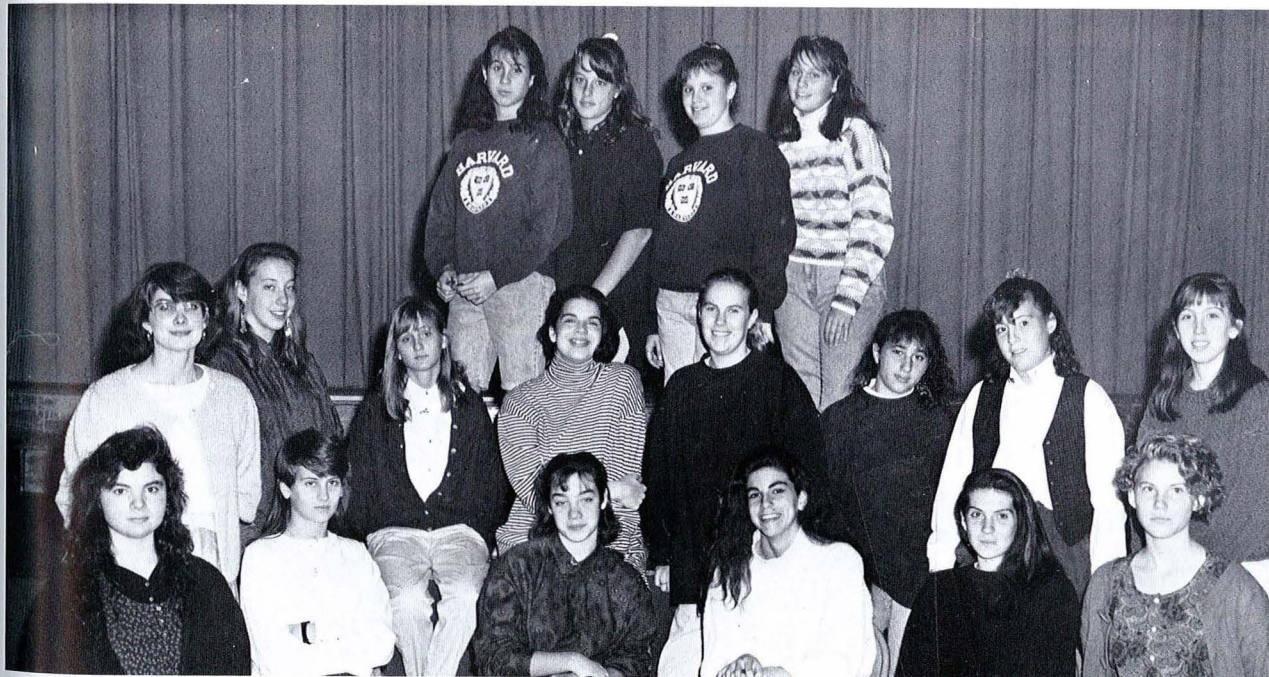

. . . Please excuse \_\_\_\_\_ from Gym. He has the sickness. Please do not make him change for gym — he may vomit!

With All-Conference performances from Sr. Co-Captain Jason Malone in the goal, a strong offensive threat from Sr. Co-Captain Jamie Curtis and a strong defensive effort from Sr. Co-Captain John Huck, the boys varsity Soccer Team finished with a record of 7-2-1. We placed second in the Marcy Conference! Our outstanding game was against Wells! We moved into a tie for first only to be tripped up by rivals Minerva!

Top Row: A. Bennett, S. Babé, A. Henkel, A. Miller, E. Cleavland, M. French, A. Huck, J. Koster, C. Anderson, J. MacEwan, Miss Dodge Bottom Row: E. Burkowski, S. Fulmer, S. Pratt, A. Donahue, N. Somma, T. Harrington

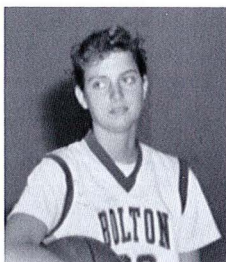

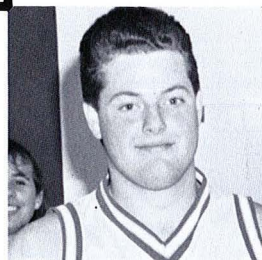

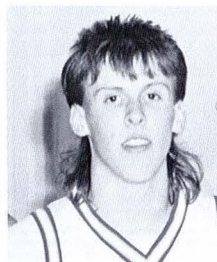

There weren't as many wins this season as we had hoped for, but just as well it was a great time. Everyone put in a terrific effort and we had a few victories to show for it. With Debbie Dodge as our coach our self esteem and spirit were kept high throughout the two months.

Top Row: J. Curtis, P. Weaver, H. Blanchard, J. Huck, J. Malone, J. Malone, Coach McKinney Bottom Row: J. Younes, M. Tougaw, S. Roberts

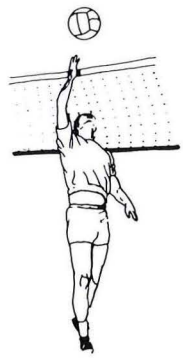

The 1990-91 season was not as successful as we had hoped. Even though the team worked hard all season, due to injuries and illness there were more losses than expected. We're all very sorry to see the four seniors depart!

**GIRLS BASKETBALL**

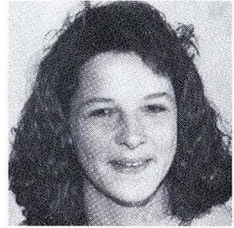

Top Row: E. Cleavland, A. Donahue, S. Babé, J. Howse, J. Koster Bottom Row: C. Lanning, Coach Potvin, J. MacEwan

Our team came together as a unit, though we were riddled with injuries! Team Spirit was high and players worked well together!

VOLLEYBALL

CHEERLEADING

Standing: M. French, D. Dodge, C. Lanning, D. Norton, E. Cleaveland, A. Henkel, A. Donahue Sitting: S. Babé, A. Bennett, A. Miller

We were a young and inexperienced team. The players pulled together and developed skills throughout the season. This enabled them to compete in Sectional play! The team will miss Seniors Colleen Lanning and Danna Norton.

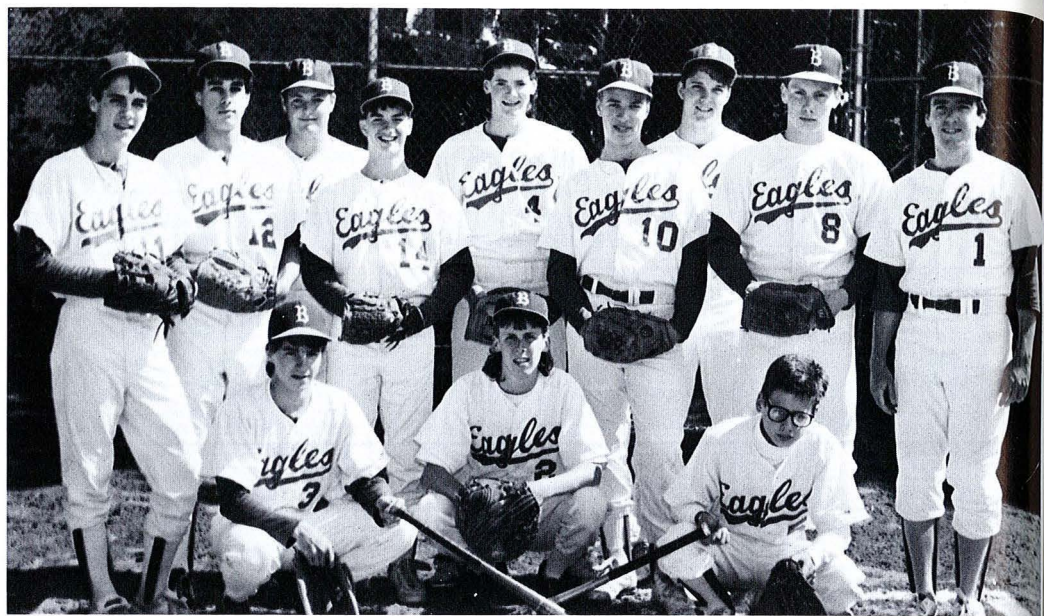

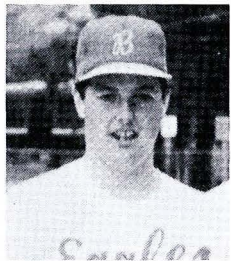

K. Steele, B. Younes, A. Donohue, A. Bennent, E. Burkowski, S. Fulmer, M. French, J. Posteraro

Cheerleading this year turned out to be a good time! Everyone got along well. There was little tension and disagreement leading to easy decision making. Thanks to coach Michelle Shneider we pulled together as a group!

VARSITY BASEBALL

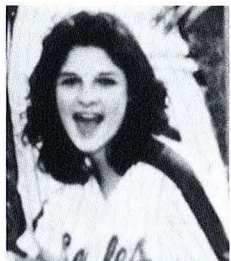

Top Row: J. Malone, J. Lyon, J. Huck, T. Leombruno, T. Steele, D. Guyette, J. Malone, J. Pratt, Coach Donahue. Sitting: V. Burkowski, J. Curtis, J. Miller

Undefeated Marcy Conference Champions! Our boys played phenomenal Baseball throughout the duration of the season and excelled in all facets of the game — offense — defense and pitching. Hats off to all who participated in the repeating Championship season — hats off to Coach Donahue!

VARSITY SOFTBALL

Top Row: P. Huck, E. Marks, E. Cleavland, A. Miller, S. Pratt, Coach Seeley, J. Kelley, C. Lanning, A. Burgess, S. Babé, S. Alto, A. Bennett. Bottom Row: J. Torebka, S. Klykken, J. MacEwan, P. Cleavland, A. Henkel

Darrin —

The end of 13 years of long, sometimes torturous schooling is over. We hope that between all of us who have had a hand in your education, we have taught you what you need to know to be a good person. Everyone has pushed and pulled to try to fit you into a category they could understand, but you have always been your own man. We have no doubt that you will be successful in whatever you choose in life. Just give it your best shot and make your own music. We'll always be here for you. We're very proud of you and we love you.
