It will never be like this again, not for us! Many students of the **Class of 1996** have spent all of their educational years at Bolton Central School. We have grown to love our alma mater: small, nurturing, diversified, always striving to meet the needs of all students — this is the foundation from which we enter college and the working world!

This has been an event filled

year for all of us! Some of the trip highlights include traveling to N.Y.C. to see Beauty and the Beast and NBC Studios, Europe with the French Club, the whale watch, hikes — too numerous to mention and Salem, Massachusetts. At this writing, seniors are busy planning a trip to the nation's capital, Washington D.C.

We've had a great Soccer and Baseball season. Many of us have

taken college classes in our senior year at ACC. We've worked hard in our academic classes and at our music and art.

Yes, we've had so much given to us at Bolton Central School. And now we must continue to strive. True, it will ever be exactly like this again. But it could be just like this, it is up to **each of us**.

SPIRIT

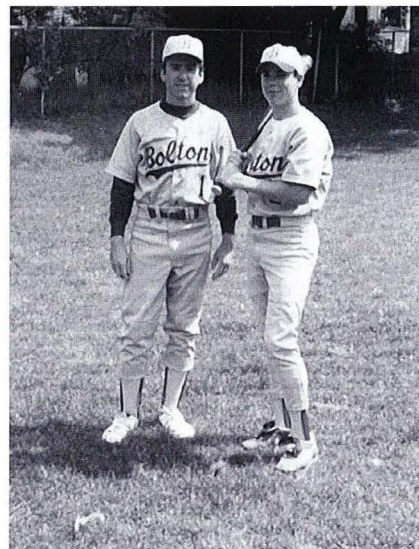

WEEK '95

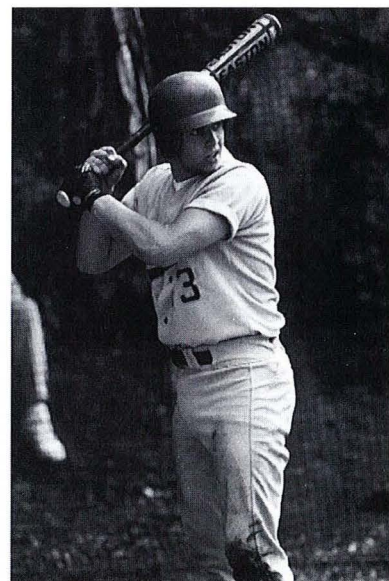

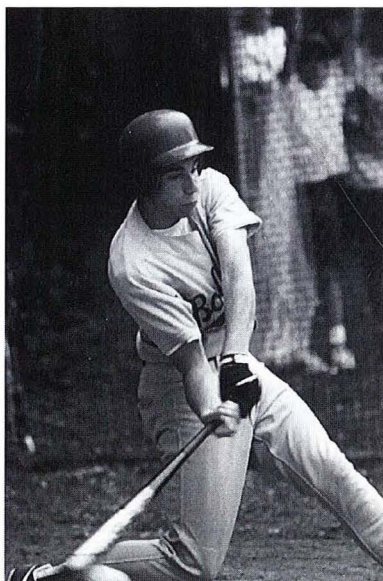

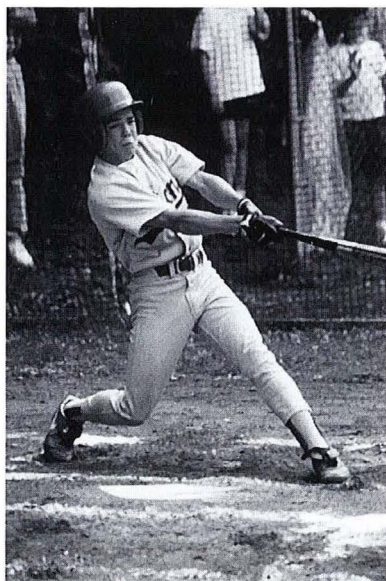

1995 UNDEFEATED MVAC

Our **BCS Bolton Varsity Baseball Team** garnered the 1995 Mountain and Valley Conference Championship while recording an undefeated 12-0 league record. On the way to this honor they recorded 15 consecutive victories and finished with an impressive 15-1 mark, losing only to defending state champion Lake Placid in the sectional finals. This marks the 7th consecutive league title for the Eagles and extends Coach Donahue's league winning streak to over 50 games — a streak that began back during the beginning of the 1989 season. Entering the season as underdogs, these "Diamond" Dogs lived up to past expectations and experienced one of the most successful seasons in recent Bolton baseball history. This year's proponents of "Bolton Ball" outscored their opponents by a 195-40 run margin.

Selected for 1st Team MVAC All-Stars were conference MVP **Justin Mowery**, **Seth Fagnano**, **Brian Perry**, and **Luke Schweickert**, while **Jesse Foy** and **Sam Bennett** were chosen 2nd team and **Lance Truax** and **Greg Perry** earned Honorable Mention. **Coach Donahue** was named by league officials as Coach of the Year for the MVAC. Instrumental in this achievement were the contributions of **Adam Railing**, **Chris Urtz**, **Jon Dumas**, **Dan Perry**, and **Kyle Ramos**.

Coach Donahue and **Justin Mowery** strike a championship pose after being named MVAC "Coach of the Year" and "MVP" respectively.

The "meat" of the Eagle batting order, **Justin**, **Luke** and **Jesse** show off the batting styles that struck fear into the opposing pitchers!

BASEBALL CHAMPIONS!

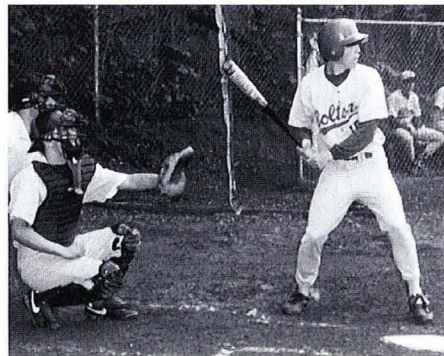

Seniors **Adam, Luke** and **Jesse** are the backbone of the 1996 team that aspires to continue the championship!

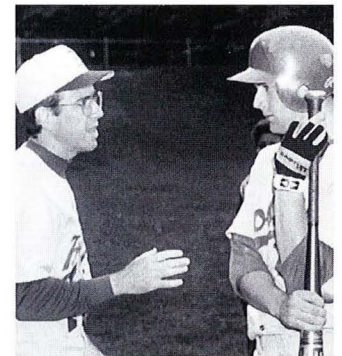

Chris watches as **Coach Donahue** rakes the baseball field, as the team "raked up" championship honors in the MVAC.

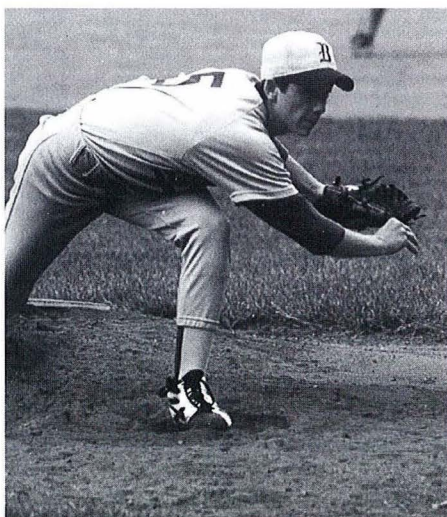

"I didn't **know** that I **didn't** have to dirty my nice new uniform by sliding, coach"!!!

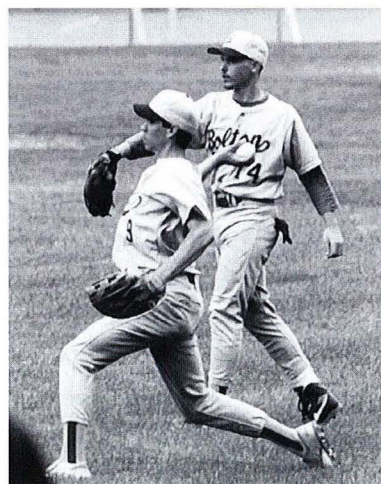

Freshman **Greg** displays his unique batting form, one that has proven quite effective.

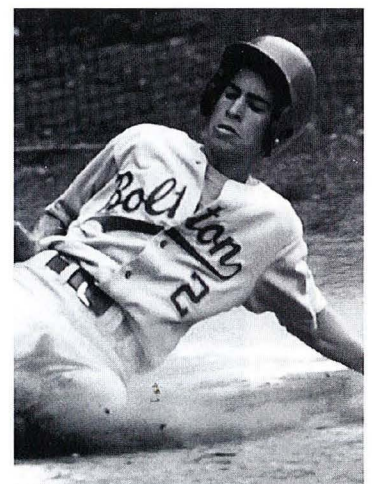

"Remember **Adam**, it's a baseball bat, not a hockey stick!"

Post Star All Star **Brian Perry** unleashes one of his patented fastballs!

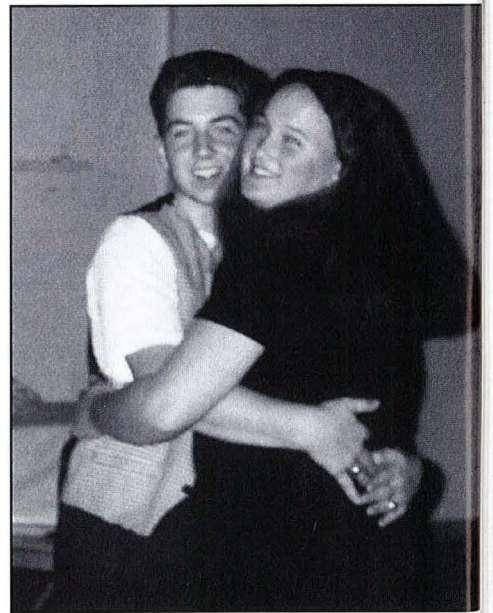

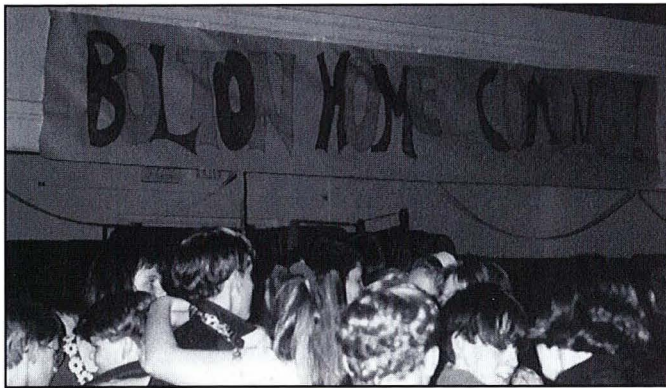

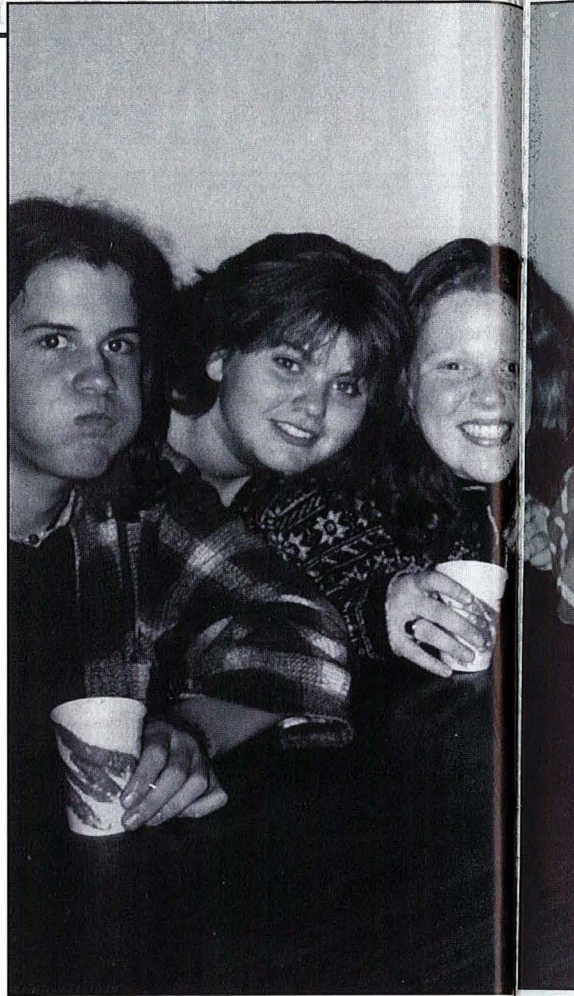

Sam and **Chris** display the kind of communication and teamwork that it takes to enjoy a successful season.

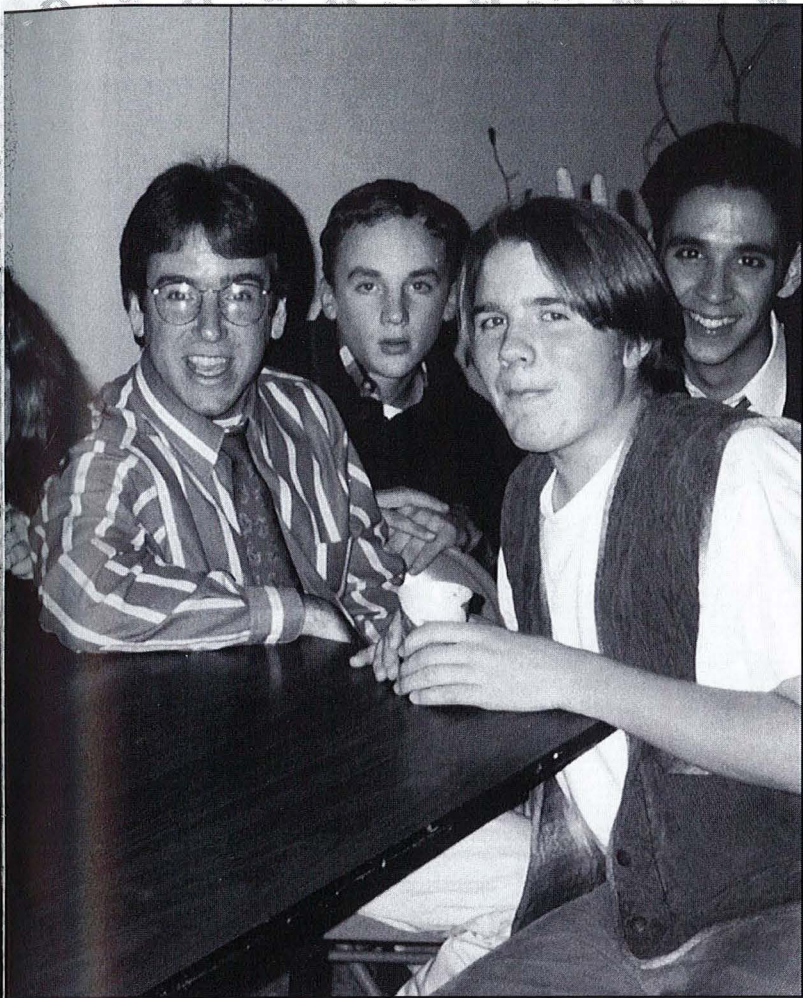

Seth slides safely into home, a frequent occurrence throughout the season!

HOMECOMING 1995!

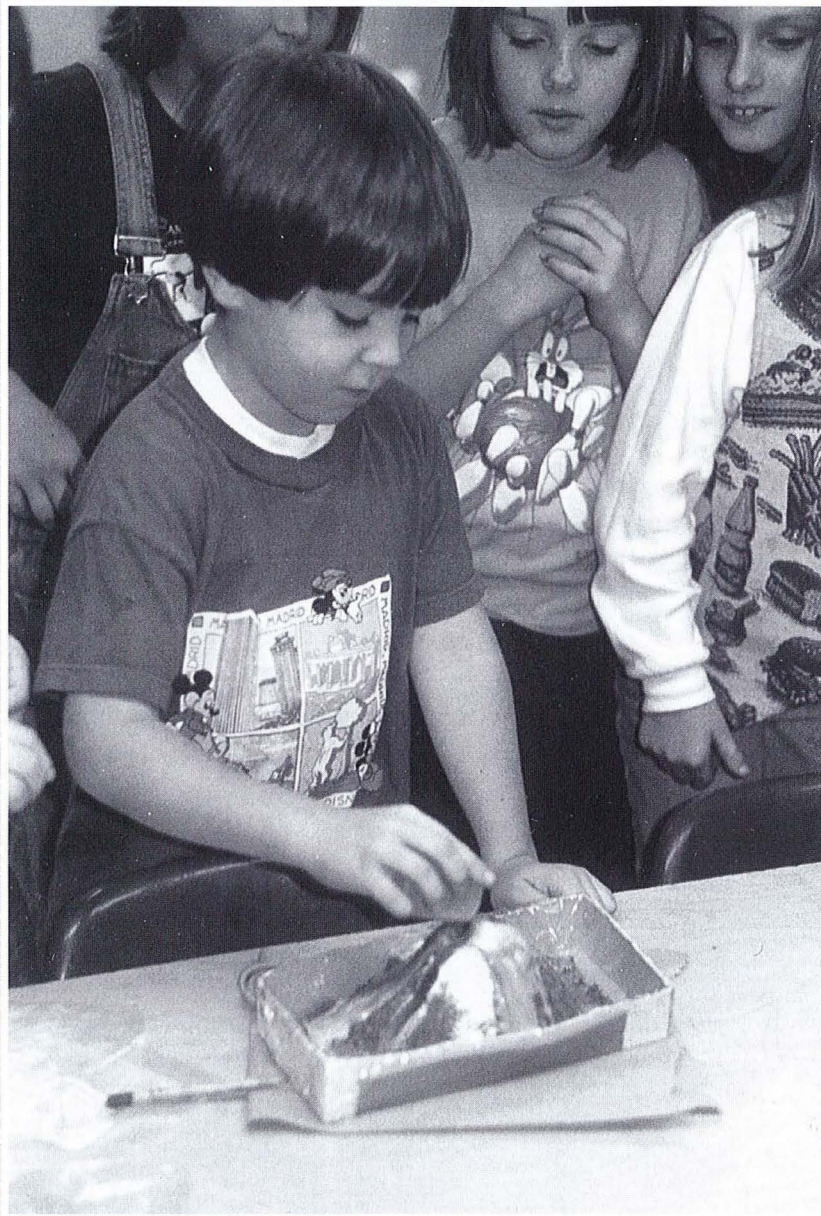

Homecoming 1995 was a lot of fun! Everyone's spirits were high as they prepared for an evening of dancing and listening to music. For many, it was the quick transformation from school clothes to dress clothes that was the most amazing! Homecoming was a night to be remembered!

Dear Class of 1996,

Thirteen years ago you began the long journey that will culminate in just a few short months with your graduation from Bolton Central High School. You will finish with one major passage of your lives and move on to the next. As you bask in the well deserved glory of this important milestone, I want to extend my warmest congratulations to each and every one of you.

During these past years, much has happened to you. You have grown physically from small children to young adults. You have studied and mastered a plethora of school subjects, skills and knowledge. You have made friends that you will remember for a lifetime. You have experienced success and failures and hopefully have learned valuable lessons from both. You have prepared yourselves to move on with your lives.

These thirteen years of work have all led up to graduation, a ceremony that is also called commencement. Commencement denotes a beginning, as this is in fact the beginning of your adulthood and the beginning of the rest of your lives. It is the hope of everyone on the Bolton faculty and staff, that the past thirteen years will provide a strong foundation for you to succeed at whatever the next passages in your lives are to be. It is now up to you to take full advantage of that foundation of love, support and knowledge that has been provided by both your families and by the BCS staff.

I personally and sincerely wish the very best for each member of the Class of 1996 in the challenging passages that lie before you.

With best wishes for success,

THE ATHLETE'S CREED

*If you think you are beaten, you are
If you think you dare not, you don't.
If you'd like to win but you think you can't,
It's almost a cinch you won't.*

*If you think you'll lose, you're lost,
For out of the world we find
Success begins with a fellow's will —
It's all in the state of mind.*

*If you think you're outclassed, you are;
You've got to think high to rise;
You've got to be sure of yourself before
You can ever win a prize.*

*Life's battle don't always go
To stronger or faster man;
But soon or late the man who wins,
Is the one who thinks he can.*

HIGHLIGHTS FROM SOCCER '94

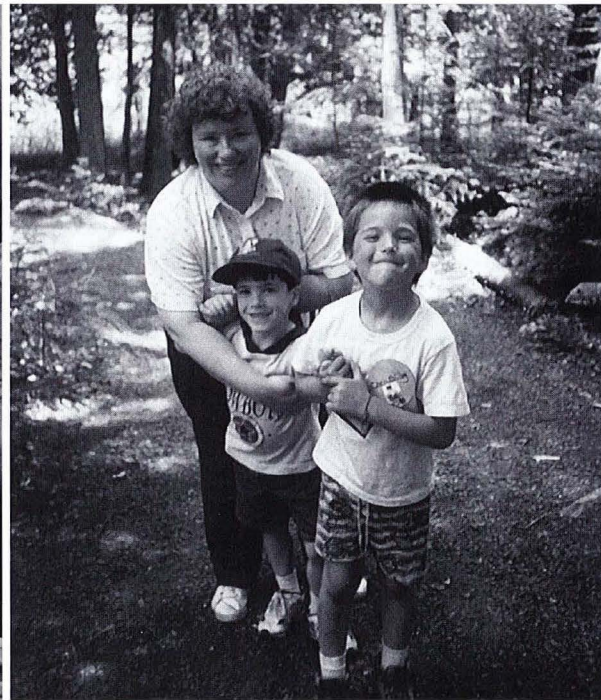

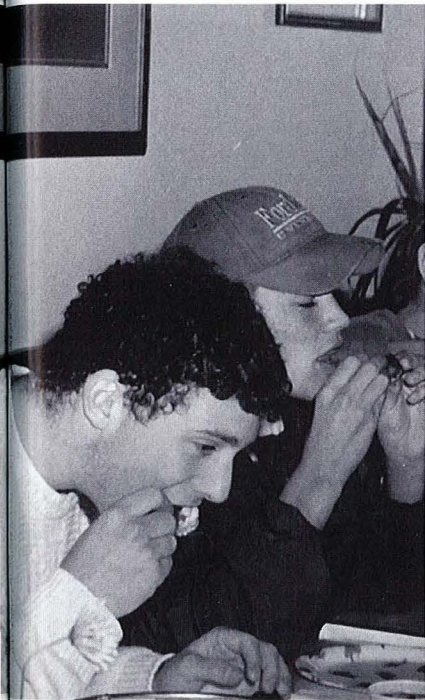

Bolton's **Modified Soccer Team** captured their league championship by completing their 12 game season in undefeated fashion. The high-powered scoring machine was led by Greg Perry, with major contributions being made by Sam Caldwell, Matt Wells, and Anthony Muscatello. Defensive stalwarts Scott French, Jeremy Bromley, and Victor Vega assisted goalie Lance Truax in making our goal nearly impenetrable to the opposition. Under the guidance of Coach Jim Donahue, with assistance from Bob Morehouse and the combined efforts of all 24 team members, the junior Eagles outscored their opponents by a 33-3 goal margin.

Team members include the aforementioned and Tom French, Chad Cleveland, Keith Lavit, Worthy Russell, Tony Huck, Steven Babe, Devin Tenent, Glen Smith, Albert Perry, Jason Perry, Jeremy Coon, Sam Maranville, Rita Roberts, Nick Anderson, and Justin Monroe.

You will hear many wonderful things
The snap of a twig and the wind in the trees
And the whir of invisible wings
If you stand very still and you hold to your faith
You will get all the help that you ask
You will draw from the Silence the things that you need
Hope and courage and strength for your task

TO DAUGHTER WITH LOVE

The home with a daughter is filled with sunshine,
no matter what the weather.
She smiles her way into your heart and there
she stays to brighten your life.
The home with a daughter is filled with laughter,
music and soft, gentle moments.
Though she may grow up and leave to make a home of
her own, she will always be a
part of the home to which she gave so much happiness and love.

JoAnn,

There has been a lot of laughter and a lot of tears, but we are very proud of the person you have become and all you have accomplished. Be proud of the person you are. You have made so many good changes in your life as you have matured. You have become a beautiful person, loving, caring, gentle and strong. Follow your dreams and may you accomplish all you set out to do. Always remember you are loved so very much.
