The Building Renovation — A Year of Change

The 1998-1999 school year saw the beginning of drastic changes to our building. New windows and shades, wiring for the Internet service, and the networking of all computers was just a start. In the spring, the General Purpose room would be demolished and replaced with a new regulation size gym, including a newly constructed stage. Following this, we would see the old gym transformed into a new cafeteria and above, our new library and media center. Certainly this was a year of exciting changes.

JUNIOR PROM HIGHLIGHTS

On the sixth of June in nineteen hundred and ninety-eight, the class of 1999 held their prom on the HORICON. They toured scenic Lake George from 8 to 11 P.M. King Jeremy Bromley and Queen Nicole Schweickert presided over the festivities. The theme for the evening was based on the song "How's It Going To Be?" by Third Eye Blind. Everyone had an enjoyable evening in the moonlight.

1998-1999
Bolton Lady Eagles

The Girls Varsity Basketball Team was composed of 8 sophomores (Lacey Bromley, Kristen DePace, Alyssa Jordan, Meagan Perry, Tammy Schoder, Heather Sepe, Beth St. Amour, Elaine Whitaker), and 2 freshman (Lee Ann Ulrichs and Libby Volkmann) and experienced its most successful season since 1995.

During the 1998-1999 campaign they compiled an impressive 12-6 record with three of those losses being against state ranked teams and only one loss at home. The Lady Eagles won the last game ever in the Eagle Dome on February 10th, 1999 as they crushed visiting Johnsbury 74-47. First team MVAC All Stars Lacey Bromley and Alyssa Jordan scored 39 and 20 points respectively, with Jordan scoring the final 2 points in the gym.

The team was awarded the fifth seed in the Section 7 tournament but lost a close game to Chazy Central School. The coach of the Lady Eagles, Jen Trowbridge, is extremely optimistic about the future since they have no juniors or seniors and the Modified team, coached by Peggy Beggs, had 17 players on its roster!

Go Lady Eagles!!!

Becky (NUT)

It seems like yesterday that you were just a little girl. My fondest memories are at Saratoga Race Track with you chasing the jockeys for autographs and picking winners. The years have passed so quickly. I wish you the best that life has to offer. I'm very proud — You Made It!

LoveYa
RIC

Becky —

Though it may have been a long haul, you made it and we're very proud of you. Best of luck in all your endeavors.

Love,
Aunt Alesia

To Keith,

As you have grown older, we know you are wiser. Your adult life started in Denmark. For experience, you had a great start. Your life has been close to home. Last year, you were far and alone. We wish you all the love, happiness, peace and wisdom. Remember you'll always be in our hearts — even when we're apart.

With much love,

Mom, Dad, Alicia, Todd,
Grandma, Callie and Timmy

Dear Class of '99,
 It is with sadness that I say, "Good-Bye." It is with my sincerest best wishes that I say "Good Luck." You have been the focus of my life at BCS since I first started teaching here and you were little 6th grade munchkins. Now you're wonderful young men and women leaving on your separate paths. I will miss you. I have not known life at BCS without you. A better class I could not have had.

ROOTS OF CHARACTER

"Those who preserve their integrity remain unshaken by the storms of daily life. They do not stir like leaves on a tree or follow the herd where it runs. In their mind remains the ideal attitude and conduct of living. This is not something given to them by others. It is their roots . . . it is a strength that exists deep within them."
