The Class of 2002
would like to extend our sincerest gratitude to

The Algonquin Restaurant

not only for donating the restaurant’s use for our Junior Prom, but also for providing a great place for us to work and being such an important part of our lives.
The Class of 2002 and Bolton Central School would like to thank the Board of Education, parents and community members who helped with the financial support of this yearbook. Without your generosity, this book would not have been possible.

Congratulations and Best of Luck in All Your Future Years

Michael,

It is so hard to believe you are graduating from high school, when it seems like just yesterday you came into our lives and made us so very proud. Oh, how we remember that day so well. You are our first grandchild and to us you will always be special and it goes without saying that you can do no wrong in our eyes. We are so proud of all you have accomplished thus far in your life. Your mom and dad raised you well and not only are we proud, you should be too. Always remember how much we love you and always remember you can go as far in this world as you want to. To us, you are our star on the top of our tree and always will be. You not only served your school and community well, you are now serving your country well by enlisting in the Army National Guard. Be proud Michael, and always do what you know is right for you and I as your grandmother know you will. Never be afraid to say 'No', just as you've done thus far. Love those who love you and work hard for what you and you alone want to accomplish in life.

God bless you, Michael, and I love you
Your Mushy Grandma, Bumpa Morehouse, and Nana Cooper

**Congratulations LeeAnn**

Our sweet little one, with that beautiful smile,

Now a young lady with places to go.

We have shared so much happiness, it's going to be hard,

But now at graduation, it's time your path begins.

May your journey through life,

be of your own choice, and most important.

Life with Love and Happiness always.

We are so proud of you,

All our love,

Mom & Dad

Deaf Rules
(Terza Rima)

My motto is Deaf Rules
From birth, I could not hear
The only deaf student in a hearing school
I have nothing to fear
I have my pride
No sound goes in my ear

Never do I hide
I stand strong, not weak
Doesn’t bother me, I take things in stride

With my hands, I speak
Signing with skill
Self confident, not meek

Sign language sets me free
As it comes, I do it at will

A proud deaf man, that’s me!

McWanger-
As hard as it is for me to say it- "I'll miss you- being your dopey self." I hope you have all the luck you need to fulfill your dreams. Don’t let anyone stand in your way! Good luck! And don’t forget all the good times!

Love always-
Baby (Magz)

We love that SMILE!
Hey P.J. (Philly),

We got ya! All the embarrassing moments when we said, "Whew! Where did that come from? Not our side of the family!" Now, as we look back on all of those times, we realize you are from our family, and you're number one. You have such an open spirit. May you keep that for your whole life! You are truly one of a kind; the one and only Phillip George Jackson. We are proud of you!

All our love,
Mom & Dad and Family
We love you Katelyn, and we are very proud of who you are.

We wish you:
Enough happiness to keep you sweet
Enough trials to keep you strong
Enough faith and courage in yourself
That your joys would be as bright as the morning and your sorrows shadows that fade in the light of your life

May you always have love and comfort and courage
May you have rainbows after every storm
May you have hopes to keep you warm
And may you always have an angel by your side

Love, Mom, Dad & Emilie

Fred,
Congratulations! I don’t know what I am going to do without you. Who is going to boss me around and tell me what I can and can’t wear? (There’s still weekends!)

Love,
Samantha Jones

Fred,

As one chapter of your life comes to a close and another begins, we are so proud of who you have become. You have the confidence, intelligence, wit, charm, and sense of humor that will take you far. Never forget that we love you and will always be here for you, no matter where you go and what you do.

To laugh often and much;
To win the respect of intelligent people and
the affection of children;
To earn the appreciation of honest critics and
endure the betrayal of false friends;
To appreciate beauty;
To find the best in others;
To leave the world a bit better, whether by
a healthy child, a garden patch, or a
redeemed social condition;
To know even one life has breathed easier
because you have lived.
This is to have succeeded.
-Ralph Waldo Emerson
