Dedication

The Class of 2003 would like to recognize and appreciate the efforts of these individuals who have helped us a great deal through our time at BCS.

Mr. and Mrs. Muscatello-

Thank you for all the hard work and effort that you have put into our class. Without your guidance and help, it would have been nearly impossible for our class to function as a group. We are forever grateful.

Mrs. Margaret Braman-

Thanks for the years of delicious and nutritious meals. Thanks for putting up with us and making lunchtime our favorite time of the day!

A Special Thanks:

We would also like to thank Mr. Cicarelli, Mr. Donahue, and Mr. Leone (the Guru) for their support.

Farewell

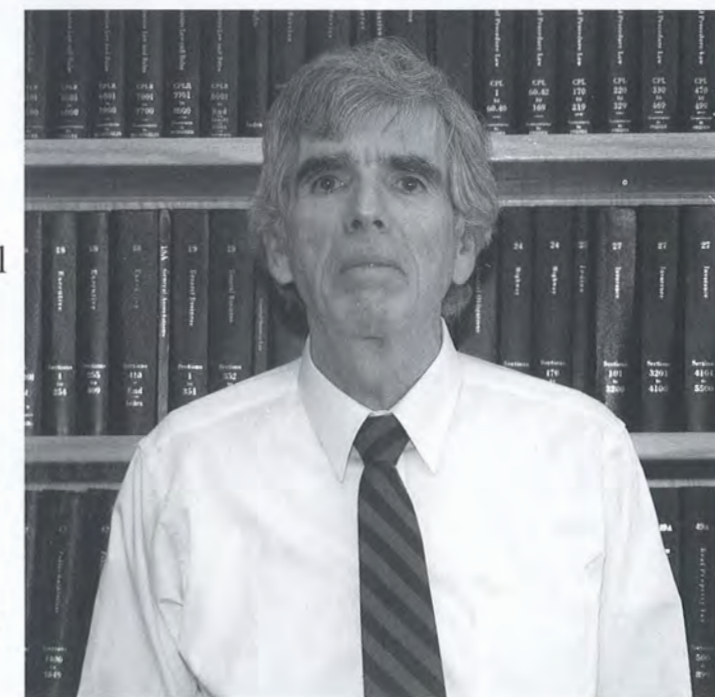

Mrs. DeHoney-

Thank you for all of your support throughout the years, especially during Regents review time. BCS will greatly miss you and we all wish you the best of luck!

Mr. Roberts-

Farewell Big Guy. Thanks for all of the laughs, good times, surprise videos, songs, and all you have done for us. BCS will miss your unique and enthusiastic antics. Good luck in retirement!

LAKE PLACID ♦ Turned away last year by Crown Point in the Mountain and Valley Athletic Conference championship game, Bolton made up for a missed opportunity by winning the school's first baseball championship on Friday.

Bolton rallied for three runs in the first inning to defeat Crown Point 3-2.

The game was suspended on Wednesday because of rain. The game resumed with Bolton at the plate.

Taking advantage of a hit batter and an error, Fred Jones hit a sacrifice fly to score one run. And Lucas Figueroa followed with a two-out, two-run double.

Blair Ciccarelli (9-1) picked up the win for Bolton, striking out 10 and walking just two.

Ciccarelli completed the season with double-digit strikeouts in each of his victories.

SENIOR FAREWELL

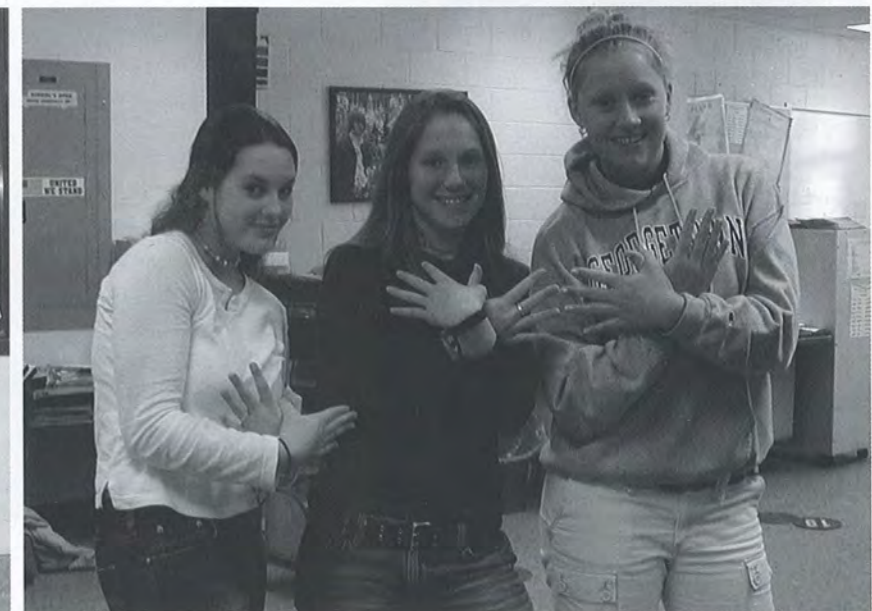

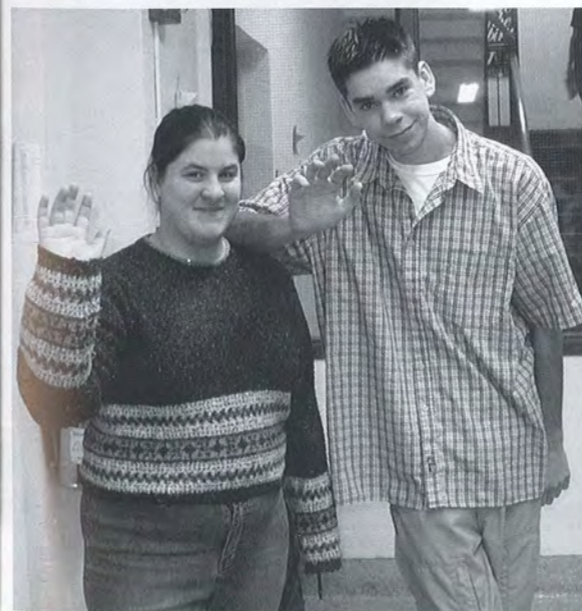

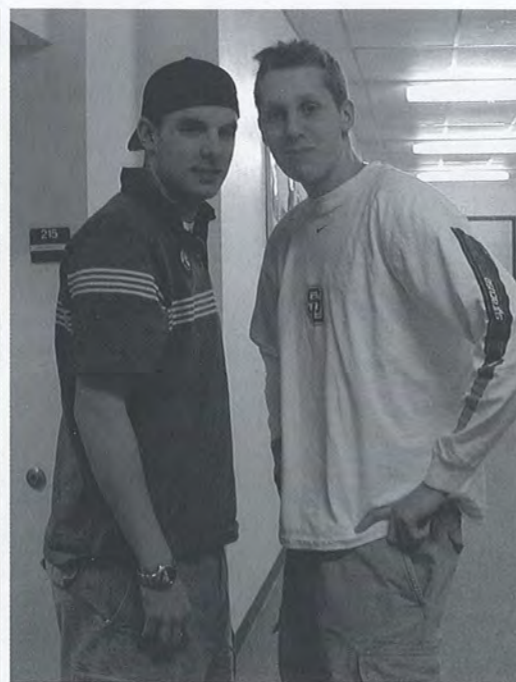

THE CLASS OF 2003

Thanks for many great years at BCS. The experiences and memories that we have collected here will stay with us throughout our lives. We appreciate all that has been done for us and will miss you all.

*Love,
The Class of 2003*

Dear Class of 2003,

It is with the utmost pride and desire to see you succeed that I send you off into the world. Yet, this feeling of pride and joy is tempered with sadness at your leaving and a certain fear that I am losing something very special. I consider you my first class and I could not have asked for more. I will miss you all dearly.

Although my time teaching has been short, my fondest memories often center around you and the times we've spent together. From those times where your antics nearly drove me to insanity, to those more numerous times when your enthusiasm and insight soared to unexpected heights and I was privileged to come along with you. I have watched and guided along the way and have provided a sympathetic ear when necessary, often learning as much from you as you have from me. Over time, we have grown and become a part of each other. Part of you will always be with me as part of me will go with you into whatever future lies ahead.

I'll always remember the sense of humor and personality that you brought with you to class and I will always be grateful for it. I often laughed aloud with you and when that wasn't quite appropriate, be assured, I laughed within. I reveled at your triumphs and mourned your losses and all the while, I wanted nothing more than to be one of you. I am so very proud to know you and of what you have become and I envy you in treading the paths that lie ahead.

All the best in everything you do,

Mr. Leone

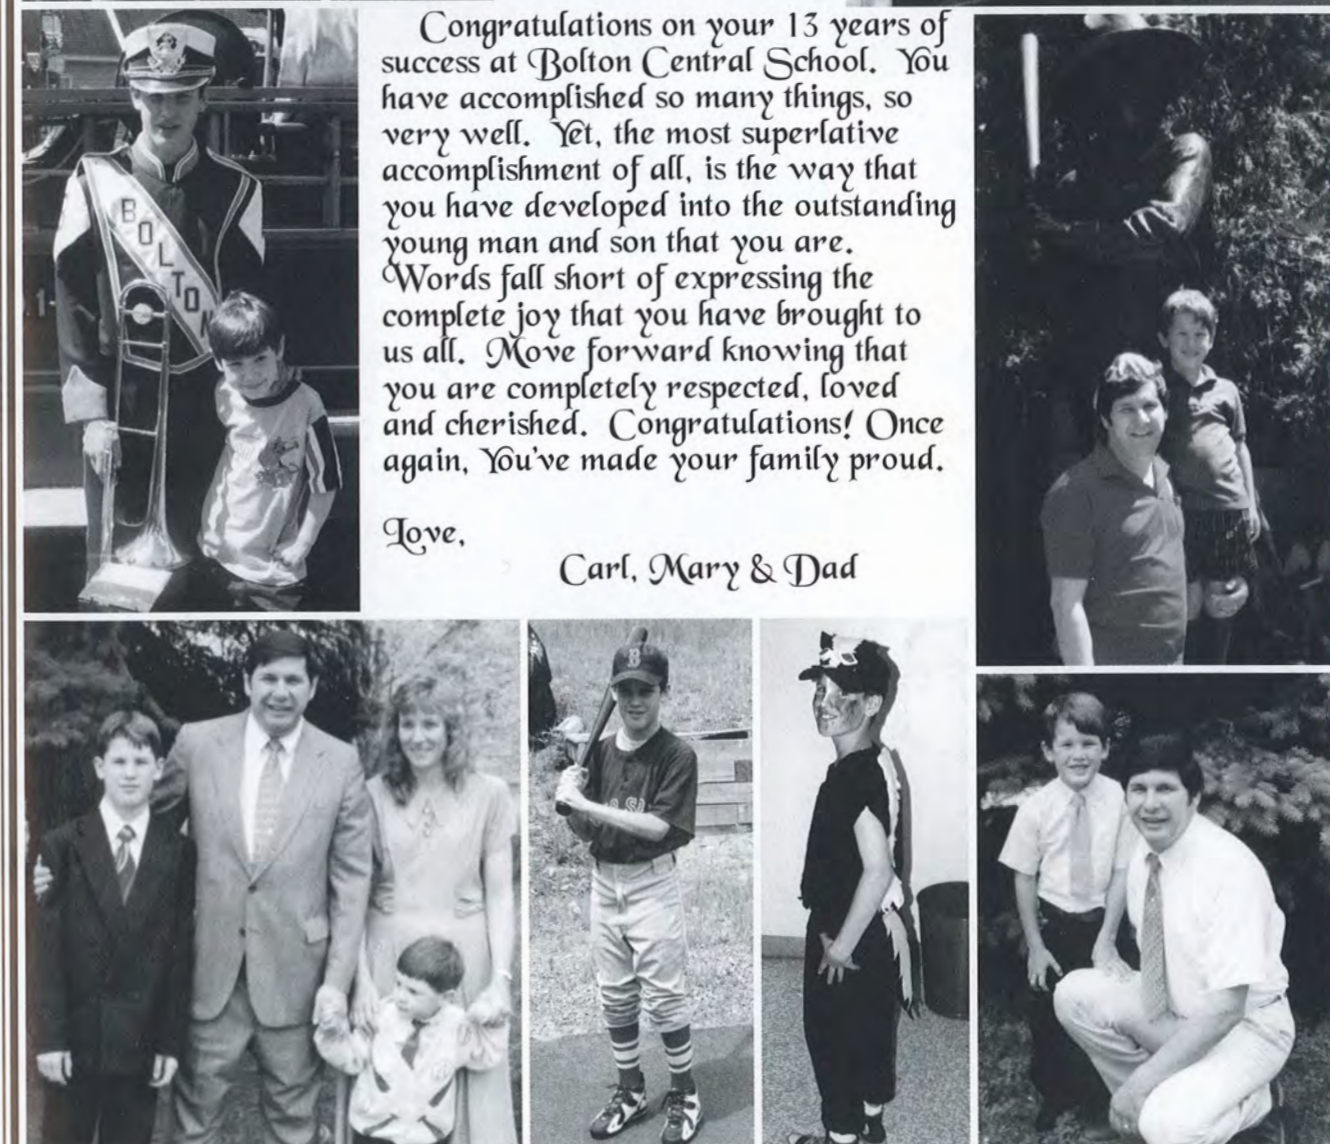

Blair Lee Ciccarelli

Congratulations on your 13 years of success at Bolton Central School. You have accomplished so many things, so very well. Yet, the most superlative accomplishment of all, is the way that you have developed into the outstanding young man and son that you are. Words fall short of expressing the complete joy that you have brought to us all. Move forward knowing that you are completely respected, loved and cherished. Congratulations! Once again, You've made your family proud.

Love,

Carl, Mary & Dad

Dreams
 I asked God that night
 Why he had to take you.
 I thought you would be here
 Forever and never leave my side.

And I remember the times
 When you would walk in
 And say good night, hours after
 I had already been asleep.

I had dreams that you
 Would walk me down the aisle,
 Tell me that you love me
 And don't want to let me go.

I had visions of you watching
 Your grandkids play in the yard
 And seeing that smile upon your face
 Knowing that you raised the best.

Dad, you may be out of my life
 But you will never be out of my heart
 Because I just close my eyes
 And you are back here again.

Congratulations Erica and the Class of 2003
