## In Sincerest Appreciation

Dear Mrs. West,

Throughout the years you have always been there for us, whether it was to heal our many hurts, or just to lend a sympathetic ear when we were feeling down and in need of friendship. You have put so much of yourself into the care and nurturing of your students and we feel blessed and privileged to have had you as a part of lives and we will miss you dearly.

With love,

The students and staff of B.C.S.

Dear Mrs. Gaddy,

We know that we don't say it often enough, but without your guidance and constant enthusiasm, we would never have been able to work together so well as a class. For that and the endless hours you devoted to us, we truly thank you. We couldn't have wished for a better advisor.

**LIFE'S PATHWAY**  
by Emily Matthews

At times, life's path  
seems filled with things  
that makes the going rough,  
And we wish there were  
a smoother road,  
for we feel we've had enough...

But, if we pause a moment  
and remember Who's in charge,  
The hills that loom ahead of us  
no longer seem so large,  
And every rock before us,  
when we know we're not alone,  
Becomes, not just a stumbling block,  
but one more stepping stone.

You've overcome so many things,  
and, every time, you've grown  
Through sheer determination  
and the wisdom that you've shown.

No one can make you feel  
inferior without your  
consent.

-Eleanor Roosevelt

Love is patient and kind:  
Love is Not Jealous or  
boastful:  
it is not arrogant or rude.  
Love does not insist on its  
own way:  
Its not irritable or resentful:  
It does not rejoice at wrong.  
Corinthians 13-4

**With  
love  
from  
the  
Roberts  
Family**

*Maggie,*  
 As time will come and go  
 Sometimes like a distant wind  
 Our life sees so many changes  
 And we're thankful for true friends  
 But as we long for wisdom  
 And search for that distant light  
 We think of yesterdays  
 When we watched you sleep at night  
 And nothing that we touch  
 In a sometimes lonely world  
 Will ever mean as much  
 As our love for our little girl.

All the dreams we prayed you'd be  
 Are all the things you are  
 You were once our little girl  
 And now our shining star.

Love,  
 Mom and Dad

*Maggie,*

From the moment you were born, you have brightened my life and made me a better person. I admire you so much and know that no matter what the future brings you will find happiness and success. I will always be here for you. I love you and am so proud of you! Congratulations on your achievement and good luck on your future endeavors!

Your sister and best friend always,

Nanners Bananers

Dear "Manda-Lou-Who"

Life has many choices. Some will be made easily without hesitation while others will require careful thought and deliberation. During these times rely on your values and seek counsel from those you can trust.

Experience what life has to offer.

We Love You

Mom, Tom, Tommy, Anthony, Jay & Christopher

To Megan,

You have always been a special child and the years of watching you grow have been a joy. Now as the time comes for you to travel your own path remember to keep that light in your eyes and know that whatever you choose to do be the best you can and you will do great things. You are the best.

Love,  
Mom

Dear Megan,

I am so proud of you and have been so lucky to be part of your life. You are destined to do great things. Always remember it's more important to look toward the future at what life has to offer, than to look back at the past to think of what could have been.

I love you.

Mark

Megan,

You are a wonderful daughter and I am so lucky to be your father. Always remember the little things in life like checking your emergency brake and you will move forward not backward.

I love you.  
Dad

*Congratulations and best wishes to Jessica and the class of 2004. Love always to a very special granddaughter. May all your wishes come true.*

**LOVE  
MOM**

Congratulations to Kasey and the Class of 2004!

Graduation is a time  
 To remember all the wonderful  
 things you have done  
 We are so very proud of you  
 For being who you are,  
 For making something of yourself,  
 For always pushing harder and harder  
 To make your dreams come true  
 We often have to sit and wonder  
 What in the world did we ever do  
 To ever have deserved such a great daughter like you!

Being together as a family is a dream we hold rare  
 Of laughter and hapiness and all that we share  
 Of Sundays, doing nothing and games and late talks  
 Of shopping trips with no shopping and many long walks.  
 Maine, Florida and, especially all the Yankee Games, are all  
 Special memories that we will always have with you.

Our family has contributed with great care  
 Poems, pictures and memories for all to share.  
 These memories will last and stay fresh through the years,  
 Of loving, laughter, happiness and even a few tears.

So, Kasey, today and forever it will always be true,  
 You've touched all of us greatly and we will always love you!

We love you!

Mom, Dad and Danny

Dearest Kevin Thomas,  
 Words cannot express how proud we are of  
 you. You are a wonderful son and brother and  
 we look forward to watching you shine for  
 years to come.

All Our Love & Best Wishes  
 Daddy, Mom, Jack, Montana,  
 Pebbles & Mandy

Ashley Carol,

It seems like yesterday we held  
 you in our arms. You have given us  
 many wonderful memories. From  
 playing softball & basketball, to  
 singing with your beautiful voice, to  
 getting inducted into the National  
 Honor Society. Always follow your  
 heart and never let anyone discourage  
 you. We are so proud of you!

Love,  
 Mom, Dad, and Rascal

Bobby,  
Wow, time flies! It seems like yesterday I was your shadow following you everywhere, and now you're going to college. Good luck and have fun, but not too much!  
Love,  
Kristy

You have become such a beautiful, confident young woman. And I know you will succeed at whatever you do. Just remember no matter where you go or what you do my love will always be with you and I am so proud of you.

All my love  
Always

Kasey,

Congratulations on a great high  
 school career. I know you'll do  
 even better at college, don't  
 have too much fun though.

Love,

Steven,

 You have feet in your shoes.  
 You can steer yourself in any direction  
 you choose.  
 You're on your own.  
 You know what you know.  
 You are the guy who'll decide where to go.
