Bolton Central School, Bolton Landing, New York

A Special Thank You From The Class of 2005

Mr. Hull,

Thank you for all the laughs, ideas, and help you have given us. Always willing to lend a hand or be a friend, you have made us closer and more efficient as a class.

Margaret,

We cannot thank you enough for all the years of bright smiles and good meals you have given us; don't ever stop being your kind, happy, loving self.

Mrs. Ostberg,

Thank you for the two great years of fun, companionship, and adventure we had under your guidance. You helped us make many wonderful memories that we will never forget.

Mr. Leone,

Despite the resistance we have shown over the years, we wouldn't have made it here without you and your amazing patience and generosity. You have made more of a difference to each and every one of us than you will ever know.

ER

*Bolton Central School Honors its Retirees
In Sincerest Appreciation for your many years of service*

Dear Mr. Donohue,

Thank you for all the years of generous instruction, making sure we would be safe on the road, expanding our vocabulary daily despite our resistance, patiently explaining things to each of us, no matter how many times you already had, and being the greatest ski coach we could have asked for. Your kindness has touched the hearts of all your students, and we wish you the best of everything in life.

*The students, faculty
and staff of B.C.S.*

Dear Mr. Lonergan,

For the many years of dedication to the students of B.C.S., not only guiding us, but also lending a generous helping hand, filling out applications and piles of college forms that we couldn't seem to manage on our own, we are truly grateful. We wish you all the best in your future years. Your wisdom and humor will be sorely missed.

*The students, faculty
and staff of B.C.S.*

KEVIN,
 WE HOPE THAT AS LIFE UNFOLDS BEFORE YOU, YOU REMEMBER TO...LOOK, LISTEN, LEARN, SMILE, LAUGH, CRY, HURT, HEAL, PRAY. (AND YOUR MOTHER WANTS TO ADD GET MARRIED & HAVE CHILDREN SO SHE CAN TORTURE YOU TOO.) ALL OF LIFE'S TREASURES AWAIT YOU - GO AFTER THEM - FIND THEM - EMBRACE THEM - AND WHILE MISTAKES ARE BOUND TO FIND YOU - YOUR FAMILY WILL ALWAYS BE HERE FOR YOU - REMEMBER - FAMILY CAN NEITHER BE BOUGHT NOR STOLEN IT EITHER IS OR IS NOT. BLOOD MAY KEEP THE LINE, BUT COMMUNICATION WILL KEEP THE LINE OPEN. YOU HAVE ALL THE ABILITY TO DO WHATEVER MAKES YOU HAPPY.

The Memory is Love

We remember a little man and a microphone doing his best to imitate Billy Ray and an Achy Breaky heart.

We gazed in disbelief at the kung fu moves in a hallway that would make ninjas proud.

We still can hear the constant calls for playing steamroller on a tramp that eventually couldn't take any more.

We witnessed your new-found belief in Santa when you finally got that go-cart you felt was impossible to get.

We always tensed each time we saw your unique way of squeezing your face when you "thunk" too hard.

We fondly recall your first home run and the character to overcome that slight slump.

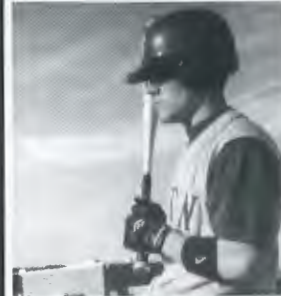

We remember all these moments of your life and hope there will be many more joys to come, but above all we want you to know that the best memory we have is just you and your love.

Your love for life and a heart-felt belief that the best is yet to come for a man named McGuire.

We love you,

Mom, Dad, Casey, Victoria, and Drew

McGuire -

Congratulations on a job well done. I wish you luck and happiness in all you do. I love you like a brother Guire!

Love,
Victoria

John I am honored to be your little sister. You were always there for me. Knowing how hard you worked over the years makes me especially proud to be your sister. I will miss seeing you everyday but hope you have a great time in college.

Love, Laura

John, ever since I was little I always wanted to be like you, whether it was watching the San Francisco 49ers on Sunday night football or looking at the stars in my giant telescope you always were my idol. Even now I want to follow your footsteps and go with you to college but knowing that you've been such a great brother throughout my life, I'm very confident that you'll make a great lawyer someday. I love you. Love,
Valerie

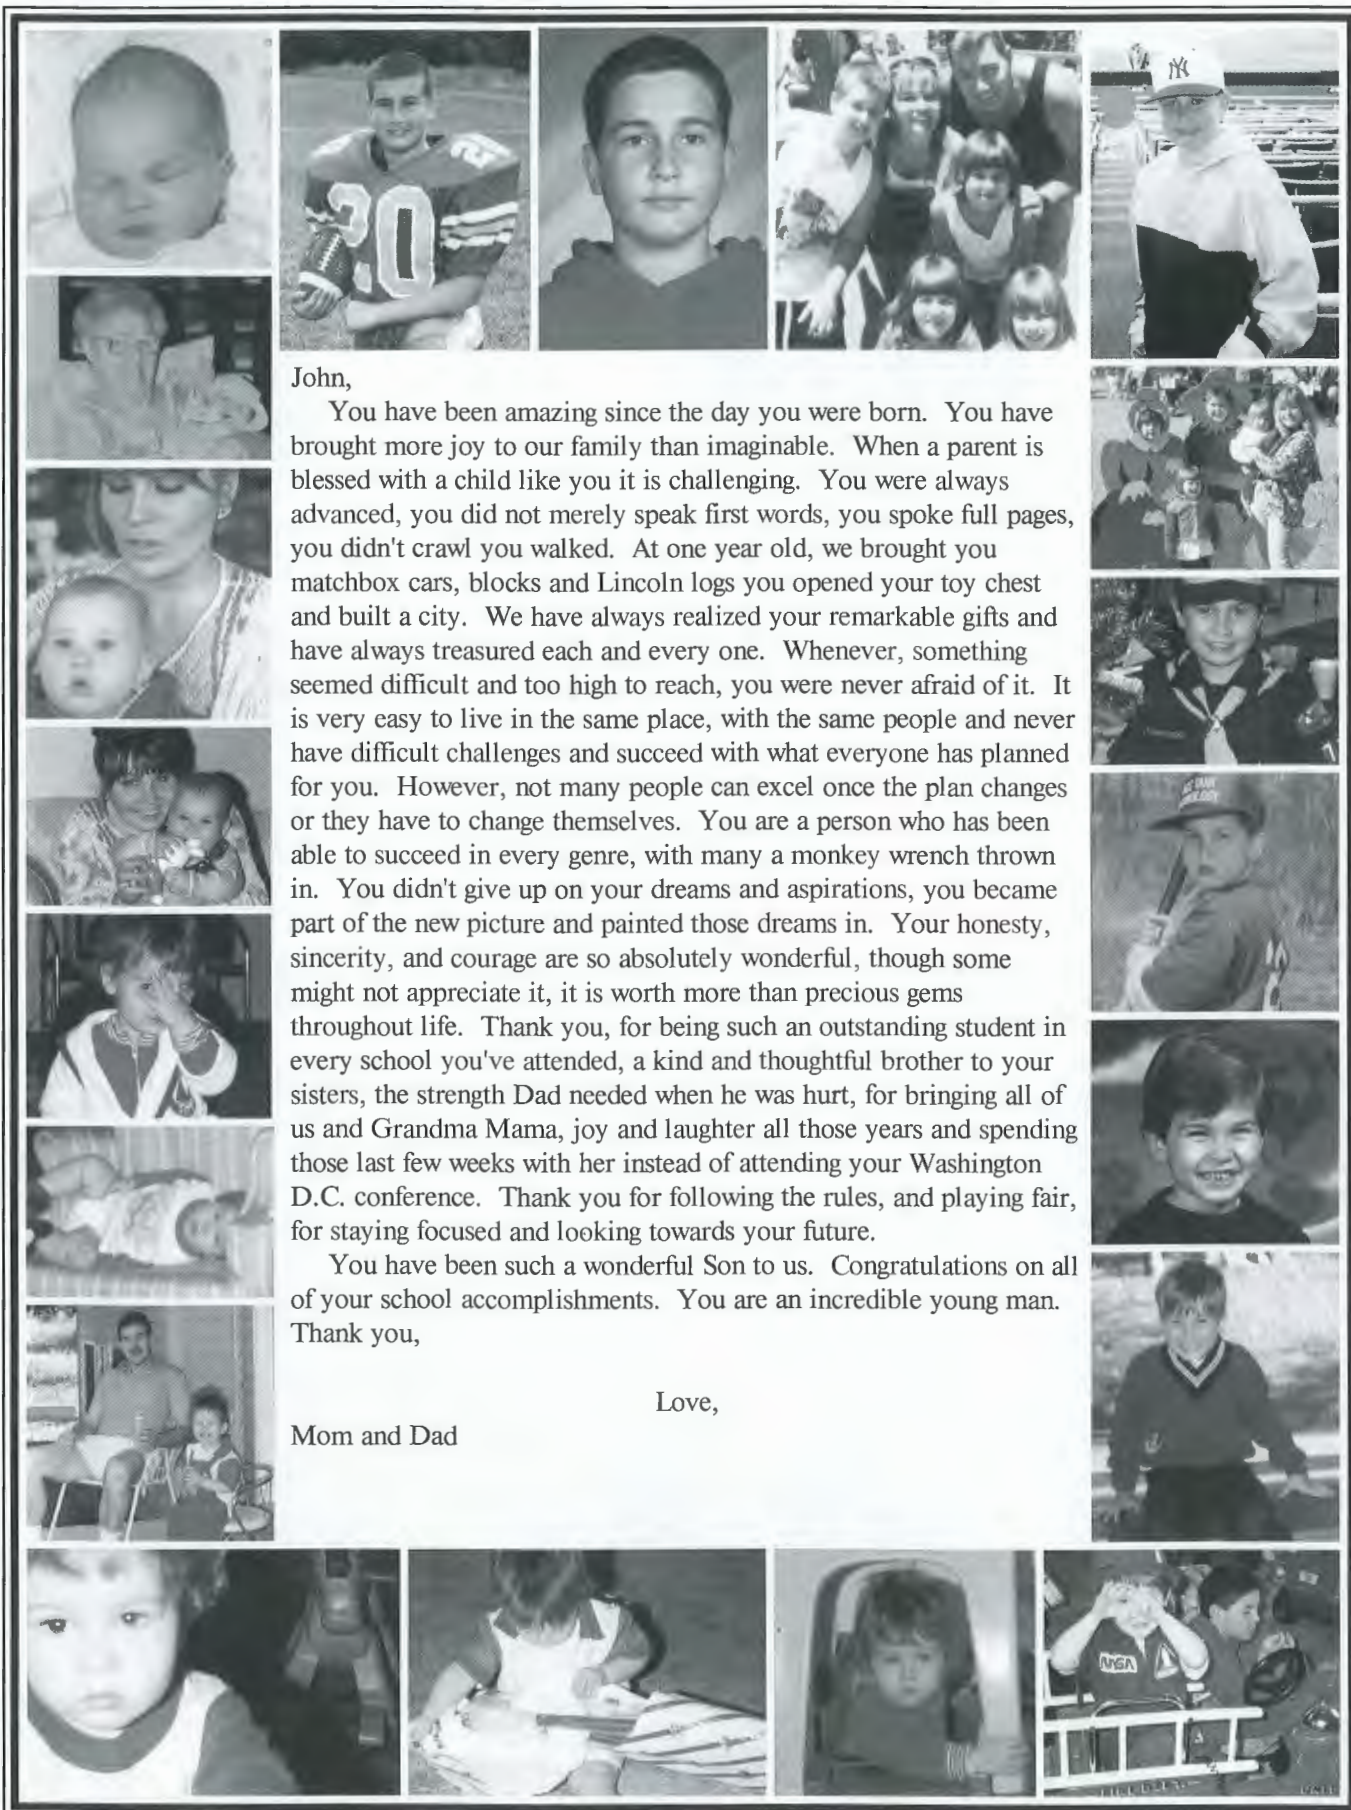

John,
I hope you have a great time in college and do well. It's been great over these past 12 years. Having you as a brother has been the coolest experience. You taught me how to play chess and video games and we look the most alike. Well what I'm trying to say is have a great time in college and I love you!!

Love your sister,
Annelise

Congratulations Class of 2005

From Koala-T Child Care

John,

You have been amazing since the day you were born. You have brought more joy to our family than imaginable. When a parent is blessed with a child like you it is challenging. You were always advanced, you did not merely speak first words, you spoke full pages, you didn't crawl you walked. At one year old, we brought you matchbox cars, blocks and Lincoln logs you opened your toy chest and built a city. We have always realized your remarkable gifts and have always treasured each and every one. Whenever, something seemed difficult and too high to reach, you were never afraid of it. It is very easy to live in the same place, with the same people and never have difficult challenges and succeed with what everyone has planned for you. However, not many people can excel once the plan changes or they have to change themselves. You are a person who has been able to succeed in every genre, with many a monkey wrench thrown in. You didn't give up on your dreams and aspirations, you became part of the new picture and painted those dreams in. Your honesty, sincerity, and courage are so absolutely wonderful, though some might not appreciate it, it is worth more than precious gems throughout life. Thank you, for being such an outstanding student in every school you've attended, a kind and thoughtful brother to your sisters, the strength Dad needed when he was hurt, for bringing all of us and Grandma Mama, joy and laughter all those years and spending those last few weeks with her instead of attending your Washington D.C. conference. Thank you for following the rules, and playing fair, for staying focused and looking towards your future.

You have been such a wonderful Son to us. Congratulations on all of your school accomplishments. You are an incredible young man. Thank you,

Love,

Mom and Dad
