 TO THE  
 CLASS OF 2006

Congratulations Rolf  
and the graduating Class of 2006

There's a song that Celine Dion sings- written by Eden Ahbez  
that I think has a wonderful message for all of us...

There was a boy...  
...A very strange  
enchanted boy  
They say he wandered very far...  
very far  
Over land and sea  
A little shy...  
and sad of eye  
But very wise...was he  
And then one day  
One magic day he passed my way  
And while we spoke of many things  
Fools and Kings,  
This...he said to me...

"The greatest thing  
You'll ever learn  
Is just to love  
and be loved in return"

I am so proud of you !!  
Love, Dad

Mags (#2),  
Remember when you locked Lucy in the  
refrigerator? Or...remember when you  
tapped danced on the dryer door?  
Or...remember when you thought the  
sewing maching was the slot machine?  
Or...remember when I dyed your hair?  
(oops) Or...remember when you were the  
"champ"? But, through it all you're still my  
favorite sister! Watch out world!  
I am so proud of you!  
I love you Beaner...Amie (#1)

Rachel,  
I want you to  
know that I  
am extremely  
proud of you !!  
I love you  
so much and  
congratulations.

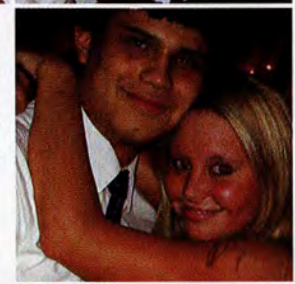

Love always,  
Jordan

greatly impacted our lives and for that we are forever grateful.

**Life's Pathway  
By Emily Matthews**

At times, life's path  
Seems filled with things  
That makes the going rough,  
And we wish there was  
A smoother road,  
For we feel we've had enough...

But if we pause a moment  
And remember who's in charge,  
The hills that loom ahead of us  
No longer seem so large  
And every rock before us,  
When we know we are not alone  
Becomes not just a stumbling block,  
But one more stepping stone.

You have overcome so many things,  
And every time you've grown,  
Through sheer determination,  
And the wisdom that you've shown.

**We love you Rachel Anne, we are so proud of you, we knew that you could do it!!  
Always know that wherever you are in life, we will be two steps behind you. We love you with all  
of our hearts. You're the best!**

\*As we grow up, we learn that at least one person that wasn't supposed to let us down probably will...we'll have our hearts broken, most likely more than once, and it gets harder every time...we'll break hearts too, so remember how it feels when yours is broken...we'll fight with our best friends and lose friends we thought we'd always have...we'll cry because time is passing so fast...and we'll eventually lose someone we didn't think we could live without...so take too many pictures, laugh too much, and love like you've never been hurt because every minute you spend angry or upset is a minute of happiness you'll never get back\*

**Love you Always,**

**Tesha, Jason, Cayden, Jordan, Jessica, Chris, Alleigh, Christopher, and Logan**

Maggie:

Do you know what it took!

Do you know what it took to turn you into the bright and beautiful girl you are today?

Do you know what it took to instill in you the ability to know right from wrong and to make smart choices in your young life?

Do you know what it took to learn to be kind and friendly and to be clever and wise beyond your years?

It took seventeen years on Skeeter Ridge with a family that loves you very much. Good luck in all you do we're very proud of you.

Love  
Always,

Mom, Dad,  
and the girls

**Congratulations  
Rachel  
and the Class of  
2006**

It's the simple things in life we forget. It's those words we wish we never said. It's the way time moves on so fast. It's the happy ending in fairytales we want to have. It's those mistakes you've made and wish you could take back. It's the way you live your life. And it's those divine memories we want to rewind and relive again.

I am so proud to call you my daughter and even more proud of you! We knew you could do it Rachel! We love you so much!!

Love,  
Mommy, Jason, Kara, John Matt, and Logan

Dear Rolf,

I always hoped and dreamed of having a child -- a family. You have exceeded my dreams and along the way taught me many things. With your dear perception and inner strength you have succeeded thus far. Just continue being who you are and remember you are always in my heart. I look for your smile and the sound of your laughter.
